**THE FORD SUV FAMILY**

**EcoSport**

**Puma**

**Kuga**

## ***Go anywhere. Do anything***

A weekend break. Your drive to work. The nimble shortcut. The scenic route... wherever you go, the Ford EcoSport delivers fun and confidence with every drive.

All the rugged functionality of an SUV. All the dynamic spirit of a compact city car. Discover a combination of smart design, impressive engineering, intelligent technology and a host of exciting ways for you to personalise your EcoSport.

Spacious, eye-catching and athletic: it's the perfect SUV for life in the city plus so much more.

*EcoSport Titanium with High Intensity Discharge (HID) xenon headlights (option) and Solar Silver premium body colour (option).*

## Get more in

EcoSport is designed to deliver all the space you need to support an active lifestyle. Tumble-fold split rear seats give you the room and flexibility to increase your load space. While clever little storage compartments allow you to stow smaller items neatly.

*EcoSport ST-Line shown with 18" 5-spoke Shadow Black machined finish alloy wheels (option), X Pack (option) with contrasting roof in Luxe Yellow, plus Agate Black premium body colour (option).*

## *The place to be*

The EcoSport's sophisticated interior surrounds you with eye-catching design, beautifully crafted materials and sumptuous comfort features. While an array of advanced technologies are at your command, such as Electronic Automatic Temperature Control (EATC), Blind Spot Information System (option), automatic headlights, plus SYNC 3 with voice control (Standard on Titanium and ST-Line only), taking care of all the little details so you can concentrate on enjoying the drive.

- Control music, navigation (where fitted), phone calls and text messaging using only your voice (Voice control standard Titanium and ST-Line only)
- Automatic headlights are designed to detect failing levels of natural light and activate your headlights for you

### **Heated steering wheel**

Easily activated at the push of a button, EcoSport's heated steering wheel provides an additional layer of comfort between you and the cold outside (available as part of optional Comfort Pack)

*EcoSport ST-Line interior shown with X Pack and Comfort Pack - heated front seats and heated steering wheel (options).*

## Meet your phone's new best friend

### Ford SYNC 3

Ford SYNC 3 integrates seamlessly with your compatible\* smartphone, letting you control everything from phone calls and text messaging to music and satellite navigation - all via the 8" touchscreen or through remarkably simple voice commands. Complimentary map updates for 7 years (from the date of first registration) help to keep you on track and on time. (Standard on Titanium and ST-Line)

### SYNC 3 features

- Manage your phone, music, apps and navigation with simple voice commands
- Hear your text messages read aloud for you
- Emergency Assistance<sup>†</sup> helps occupants place an emergency call to provide emergency services with the vehicle location in their respective language
- Control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you navigate your smartphone through the SYNC 3 home screen, as if it were your handset

- Colour touchscreen supports multi-touch 'swipe' and 'pinch-to-zoom' gestures, and lets you arrange application icons and background displays just as you would on your tablet or smartphone

Access additional features via your smartphone with the **FordPass App**

- Select points of interest along your route. FordPass will send these locations to your SYNC 3 Navigation when you connect through AppLink
- Search for refuelling points by brand or fuel grade
- Search available parking spaces, opening hours and ratings

\*Please note: Full SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. Some SYNC 3 functions require a data connection, so mobile data charges will apply. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information.

<sup>†</sup>Ford Emergency Assistance is an innovative SYNC feature that uses a Bluetooth®-paired and connected mobile phone to help vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

## Effortless connectivity with FordPass Connect.

For the first time ever, you and your Ford can stay seamlessly connected wherever you are. That's because the FordPass Connect modem and the FordPass App, together, unlock a range of features designed to make every journey easier.

### FordPass Connect

FordPass Connect\* can help save you both time and hassle, as well as give you peace of mind.

- Live Traffic\*\* delivers regular traffic information directly to your SYNC 3 Navigation system. The technology then adjusts your recommended route based on the traffic conditions, helping you to arrive more relaxed and on time
- On-board Wi-Fi\*\*\* - receive up to 4G Wi-Fi for a maximum of ten devices so you and your passengers can enjoy the same connectivity on the move as you would at home
- All other FordPass Connect features are complimentary for 2 years following registration, thereafter a subscription is required

### FordPass App

FordPass Connect becomes even more powerful when paired with your Ford EcoSport and smartphone via the FordPass App, allowing you to access a host of features. Including;

- Use your phone to double-check your car is locked, or allow someone to access your car when you're elsewhere
- Remotely start the engine<sup>o</sup> (automatic transmission only) to activate the air conditioning to cool the car interior on hot days, or warm the car on cold days - and even defrost the windscreen in freezing conditions
- Monitor your fuel level, mileage and tyre pressures, all via your phone
- Find your way back to your parked car on a map
- Receive Vehicle Health Alerts directly to your smartphone

\*FordPass Connect is standard on Titanium and ST-Line. Optional on Zetec. The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/out of certain data sharing.

\*\*FordPass Connect features and Live Traffic are complimentary on initial trial period following registration of the vehicle, thereafter a subscription is payable. See fordpass.co.uk for more information.

\*\*\*Wi-Fi hotspot includes complimentary wireless data trial that begins at time of activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first. Afterwards a subscription to Vodafone is required (please refer to their website for details of data packages).

<sup>o</sup>NOTE: Please use Remote Start in compliance with all applicable legal regulations. It is your responsibility to familiarise yourself with potential legal constraints. You may particularly find constraints in certain environmental, idling, noise and road traffic provisions. In particular, please ensure any use is outdoors in well ventilated areas and the vehicle is under supervision. The actual use of Remote Start may be wholly or partially prohibited in certain jurisdictions.

## See more

### HID Xenon headlights

The Ford EcoSport HID Xenon headlights are more than twice as powerful as conventional headlights, but use only two-thirds of the energy (Option on ST-Line and Titanium).

*EcoSport Titanium shown with rear-view camera, rear parking distance sensors (standard on Titanium and ST-Line) and Frozen White solid body colour (option).*

## It sounds live with B&O

### B&O

Whatever your taste in music, from classic tracks to modern anthems, it deserves to sound the way the artists intended. Ford's exciting new 675 watt, 10-speaker audio system from B&O delivers exactly that. Designed and fine-tuned for the EcoSport by specialist B&O acoustic engineers, it elevates the experience of every journey. And the distinctive speaker designs perfectly complement the EcoSport's stylish interior (optional as part of the X Pack).

- Model specific sound calibration
- 10-speaker premium sound system
- Dual voice subwoofer
- Surround sound
- 675 W power output
- Unique B&O design

- Tweeter
- Midrange
- Woofer
- Dual voice subwoofer

## Add extra style

### Contrasting coloured roof\*

Choose from a collection of body colours with contrasting roof, rear spoiler and door mirror combinations, plus optional alloy wheels – all intended to further enhance the beautiful exterior and help make your new Ford EcoSport as unique as you.

\*Standard on ST-Line and optional on Titanium; available with selected body colours.

*EcoSport ST-Line shown with 18" Shadow Black alloy wheels (option) and X-Pack (option) with Agate Black metallic body colour (option) and Luxe Yellow contrasting roof (option) (left); and Race Red solid body colour (option) with Agate Black contrasting roof (option) (right).*

## *Styled for sport*

### EcoSport ST-Line

ST-Line delivers all the dynamic practicality of the Ford EcoSport, with additionally eye-catching sports inspired style. Unique ST-Line bumpers and side skirts, Dark Tarnish alloy wheels, ST-Line exterior branding, plus contrasting roof, rear spoiler and door mirrors – all contribute to the car's unique blend of usability and head-turning good looks.

And this distinctively stylish image echoes through the ST-Line interior – with its unique ST-Line leather-trimmed steering wheel, black gearshift insert and stainless steel sports pedals, all emphasising the sports inspired character of its design.

*EcoSport ST-Line shown with 18" 5-spoke Shadow Black high-gloss alloy wheels (option) and contrasting roof in Agate Black (option), plus Luxe Yellow metallic body colour (option).*

### Quickclear heated windscreen

A heated element built into the windscreen is designed to clear the glass of frost and condensation, even on the coldest mornings (standard).

### Traffic Sign Recognition

Traffic Sign Recognition can identify signs at the side of a road, or above it, fixed or temporary. The relevant icon will be displayed in the instrument cluster to alert you (standard).

### Blind Spot Information System

Blind Spot Information System (BLIS) is designed to alert you via discreet warning lights built into the driver and passenger's door mirrors, when it detects another vehicle - car, van or lorry - entering your blind spot while driving (part of optional Driver Assistance Pack).

### Front and rear parking distance sensors

With Ford EcoSport you won't have to pass by those more challenging parking spaces. An audible warning helps you judge the distance between your car and obstacles at the back, for easier parking and manoeuvring (Front sensors are optional as part of Driver Assistance Pack. Rear parking sensors are standard on Titanium and ST-Line)

### Pre-Collision Assist

If Pre-Collision Assist detects a slow-moving or stationary object ahead, it first displays a warning and then sounds a chime. If you don't steer or press your foot on the brake, the system will automatically apply the brakes to reduce the severity of and, in some cases, eliminate frontal collisions (standard).

### Detachable tow bar

For extra transport and stowage capability, the tow bar can tow up to 1,100 kg depending on engine. The tow bar can be detached if not in use (option and accessory).

## Choose the right EcoSport for you

Available in a range of uniquely individual series, it's never been easier to choose a new Ford EcoSport. Whether you prefer the comfort of a Luxury vehicle, or the fun-loving dynamics of Sport, there is a new Ford EcoSport to suit you.

To make your purchase choice even more rewarding, we've elevated the standard of our features across all series. So now, whichever EcoSport route you decide to take, you can be assured of a richer level of standard content, as well as a host of additional features available as part of an option pack.

**Zetec**

With its onboard SYNC and modem connectivity, EcoSport Zetec lets you interact with your car like you've never been able to before.

**Titanium**

### Luxury

With its superior levels of sophistication and comfort, EcoSport Titanium delivers an exceptional driving experience.

**ST-Line and ST-Line with X Pack (option)**

### Sport

Blending eye-catching individuality with sporting design, EcoSport ST-Line sports models deliver a rewarding and dynamic driving experience.

## FORD ECOSPORT Models

### Zetec

(Standard on ST-Line)

## FORD ECOSPORT Options and Packs

To make EcoSport even more special, we have elevated the standard of our features offered across the range. In addition, we've packaged many optional extras together into standardised bundles – such as the Winter Pack or Driver Assistance Pack. Some options can also be ordered individually, helping you to configure your perfect EcoSport. Please speak to your Ford Dealer for more information about the options available.

### Comfort Pack

Heated front seats  
Heated steering wheel

### Driver Assistance Pack

Driver Alert  
Front and rear parking distance sensors  
Rear-view camera (standard on Titanium and ST-Line)  
Blind Spot Information System with Cross Traffic Alert and automatic high beam

### X-Pack

Power folding mirrors  
Rear privacy glass  
B&O premium sound system with 10 speakers for 360° sound  
Keyless entry  
Ford Power Start button

### Zetec

**Key Options**  
Spare wheel

### Titanium

**Key Options**  
High Intensity Discharge (HID) xenon headlights  
Spare wheel

### ST-Line

**Key Options**  
High Intensity Discharge (HID) xenon headlights

### Winter Pack

### Driver Assistance Pack

### X-Pack

### Rear bumper protector

Stainless steel bumper protection plate helps to protect against wear and tear when loading while adding a stylish look to your vehicle (Accessory).

### G3+ roof box

Increase the storage capacity of your Ford with a range of high-quality G3+ roof boxes. The sleek and aerodynamic designs ensure stability as well as stylish looks, whilst the user-friendly fixations, locks and opening mechanisms give you the ultimate in protection and convenience. Available in a selection of different sizes. (Accessory)

### Boot Liner

Durable tray-style liner, tailor-made to fit your Ford and designed to help protect the interior of your vehicle by keeping the load compartment clean and tidy. Ideal for transporting wet or dirty items (Accessory).

### Thule®+ roof attachments

A range of roof attachments is available, including roof boxes, bike carriers and roof ski/snowboard carriers.

### Cross bars

Sturdy cross bars form the basis for various available roof attachments allowing you to transport loads securely and easily (Accessory).

### Detachable tow bar

Providing extra transport and stowage capability. Tow bar can be detached when not in use. The tow bar can tow up to 1100 kg depending on engine (check with your Ford Dealer for further details) (Option and Accessory).

### Garmin®+ DashCam 65W

Provides video evidence in the event of a driving incident, giving you peace of mind (Accessory).

### ClimAir®+ wind deflectors

Gives you a more comfortable drive with the front windows open, even during light rain. (Accessory)

### Xvision+ park distance control

Make difficult manoeuvres easy with Xvision parking distance sensors. An audible warning helps you to judge parking distances (Accessory).

### Rubber floor mats

Tray style rubberised all-weather floor mats are tailor-made to fit and help to protect against dirt and damp. The driver's mat is securely fixed directly onto the vehicle's floor to help prevent it from slipping (Accessory).

### Mud flaps

Contoured mud flaps help to protect the bodywork of your Ford EcoSport from stone chips and road spray. Available as sets for front and rear. Excludes ST-Line and ST-Line X (Accessory).

Fitment of accessories may have an impact on your vehicle's fuel consumption. Items ordered as an option will be fitted in the factory. If ordered as an accessory items will be fitted at the dealership. +Item covered by third party supplier's warranty, please see back cover for further information.

For more information on accessories please visit the Ford Online Shop at [www.ford-accessories.co.uk](http://www.ford-accessories.co.uk)  
For a range of Ford branded merchandise – from clothing to lifestyle products please visit [www.fordlifestylecollection.com](http://www.fordlifestylecollection.com)

## Fuel, performance and emissions

The test used to establish fuel consumption and CO<sub>2</sub> figures has changed to deliver results that are more representative of real life driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption figures shown are derived from the new WLTP test. However, until 6th April 2020, the published CO<sub>2</sub> figures will be the NEDC equivalent and this will be used to calculate Vehicle Excise Duty.

The table below shows the fuel consumption (WLTP) figures for each available engine on the Ford EcoSport, and the CO<sub>2</sub> emissions (NEDC equivalent) figures for each available engine by wheel size. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures.

\*In 4th gear. \*\*Ford test figures. \*\*The declared Fuel/Energy Consumptions, CO<sub>2</sub>-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC 715/2007 and (EU) 2017/1151) as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO<sub>2</sub>-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO<sub>2</sub> emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedures enable comparison between different vehicle types and different manufacturers. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

\*Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc, fitted. The performance and economy of all models will be reduced when used for towing. Roof load weight limit is a maximum of 40 kg on all models

## FORD ECOSPORT Engines

# Engineered for economy

EcoSport's 1.0L 125 PS Ford EcoBoost award-winning petrol engine effortlessly switches between two and three cylinders to achieve maximum power and efficiency. It delivers a combined fuel consumption of 5.9 L/100 km\* and CO<sub>2</sub> emissions of just 135 g/km\*. No wonder it remains undefeated in its category.

Alternatively, EcoSport's 1.5L 125 PS Ford EcoBlue diesel engine achieves a combined fuel consumption of 5.3L/100 km\*, and CO<sub>2</sub> emissions of 138 g/km\*.

## Making ownership easy and affordable.

Take advantage of a range of invaluable services and make the most of your car.

### FORD SERVICE

Allows you to relax knowing we're always by your side.

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car – throughout its life.

- Ford Online Service Booking
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford trained technicians using the latest diagnostic equipment and tools
- One Call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers

Also, every Ford vehicle comes with 12 months UK & European Roadside Assistance from the date of registration. This can be extended for a further 12 months when your vehicle has a Scheduled service at a participating Ford Dealer.

For more information visit [www.ford.co.uk/fordservice](http://www.ford.co.uk/fordservice)

### FORD INSURE

Trust your car insurance to the people that know it best. Designed specifically for Ford owners, it offers value, simplicity and a range of benefits that come as standard.

- Repairs carried out by experts at a Ford Accident Repair Centre
- Guaranteed repairs for as long as you own your car
- Genuine Ford Parts and manufacturer-spec glass
- Courtesy car while your Ford is being repaired at one of our Approved Repair Centres
- Free 24 hour emergency help lines
- Named Drivers earn a Ford Insure No Claims Bonus which can be used on any Ford Insure car insurance policy
- Stereo cover for any audio/visual equipment permanently fitted by the manufacturer
- Up to 90 days cover to drive in Europe

So, for cover designed with your Ford in mind, please call our UK Customer Service Team on 0333 234 9976 or go online at [www.fordinsure.co.uk](http://www.fordinsure.co.uk)

Terms and conditions apply.

Ford Insure contracts are arranged, administered and provided by EUI. EUI is a subsidiary of Admiral Group and is authorised and regulated by the Financial Conduct Authority. Registration number 309378. Registered in England and Wales as EUI Limited Reg. No 2686904. Registered Address: Tŷ Admiral, David Street, Cardiff CF10 2EH

### FORD PROTECT

Extend your warranty up to 5 years/100,000 miles with Ford Protect.

Extend your standard 3-year/60,000 miles warranty and enjoy worry-free motoring for many years to come. Ford Protect provides a range of key benefits including\*:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- With a Ford Protect Plan, the price of covered parts and labour are guaranteed for the length of your plan
- Help prolong the lifespan of your Ford vehicle
- Protects your vehicle resale value

To increase potential resale value, Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

\*Ford Protect terms and conditions apply see [ford.co.uk/extended-warranties](http://ford.co.uk/extended-warranties) for more information.

### FORD Protect Extended Warranty for New Vehicles

	Total Mileage (mls)
4 Year Protection	80,000 mls
5 Year Protection	100,000 mls

## FORD ECOSPORT Next steps

### try

Visit your Ford Dealer and test drive the Ford EcoSport for yourself. Find your local dealer:

<http://www.ford.co.uk/shop/research/request-a-test-drive>

### build

Build and price your new Ford EcoSport to your specification and see how it looks at:

<https://www.ford.co.uk/cars>

### finance

When it comes to financing your car, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit\* provides a range of finance products for your car whether you are a private or business user.

Ford Lease^ specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business.

For more information about our finance products visit [ford.co.uk](http://ford.co.uk)

\*Finance subject to status. Freepost Ford Credit. Ford Credit is a trading style of FCE Bank plc. Which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority under firm reference number 204469.

^Ford Lease is provided by ALD Automotive Limited acting as Ford Lease BS16 7LB. ALD is registered in England No. 987418. ALD is authorised and regulated by the Financial Conduct Authority.

### own

When you drive away in your new car, we're with you all the way. Ford has a large authorised service network to help you keep your car in the best condition.

And should your new Ford ever require accident repair, a Ford Accident Repair Centre is the best place to get your car back to its pre-accident condition and on the road as quickly as possible.

### FordPass

FordPass is a new platform that will empower you to rethink the way you move. It finds nearby parking locations, contains vehicle and financing details, Dealer information and a host of useful guides.

FordPass Connect features and Live Traffic are complimentary on initial trial period following registration of the vehicle, thereafter a subscription is payable. See [fordpass.co.uk](http://fordpass.co.uk) for more information.

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. ♦ The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
