# Unleashed

However you look at it, there's no mistaking Ford Mustang. With its lean and muscular lines, advanced technology and exhilarating performance, Ford Mustang is more than just a sports car. It's the heart and soul of Ford.

From every angle, Mustang makes a powerful impression. At the front you'll find an aggressive mesh grille and a front splitter designed to enhance handling and fuel economy. Air extractor bonnet vents not only turn heads, but help to ensure the engine remains cool, even in the most demanding conditions. And no one should fail to notice its eye-catching LED headlights with instantly recognisable signature lighting.

*Mustang55 Fastback in Twister Orange body colour (option) with 19" 5 V-spoke design alloy wheels in gloss black with machined face.*

360°

*Vocal*

# Iconic

## Mustang BULLITT limited edition

Designed to celebrate the 50th anniversary of the iconic movie "Bullitt" and one of the coolest car chases ever filmed, is the sensational Ford Mustang BULLITT limited edition. Powered by a re-tuned 5.0-litre V8 engine and finished in classic Dark Highland Green or Shadow Black, it revives the screen legend with new levels of power and precision.

*Mustang BULLITT Fastback in Dark Highland Green body colour (option) with 19" 5-spoke "BULLITT" themed alloy wheels in gloss black paint finish.*

BULLITT and all related characters and elements © & ™ Warner Bros. Entertainment Inc. (s18).

# ***Distinctive***

What sets Mustang apart is the sheer pleasure of a shape that differs so much from the rest. From the aggressive shark-nose front with its low-profile bonnet, to the sculpted rear shoulders, its cool, classic form is one of pure emotion.

## **Aerodynamics**

Mustang is the first Ford to be equipped with front wheel aero curtains that help guide airflow across the front wheels. At the rear, the tapered bodywork channels air effectively from the back of the car to further reduce aerodynamic drag.

*Mustang EcoBoost Fastback in Lucid Red body colour (option) with 19" 5 V-spoke design alloy wheels with machined and low-gloss black painted finish.*

# Tactile

## Inspired design

Taking inspiration from aircraft cockpit design, Mustang delivers a thrilling drive. Important controls are perfectly placed within easy reach of the driver, with every element specially designed to deliver a refined, tactile and rewarding experience.

**01 Face-level centre air vents** echo Mustang's distinctive design heritage while delivering air in efficiency and style.

**02 Leather-trimmed 3-spoke sports-style steering wheel** with the iconic Mustang logo feels just right in your hands.

## Definitively Mustang

From the fascia panel's symmetrical twin brows to the traditional toggle switches and sports gearshift that falls easily to hand, this interior is definitively Mustang.

**03 Aircraft-style toggle switches** control a range of functions, including selectable driving modes that allow you to activate predefined powertrain and chassis calibrations, and selectable Electric Power-Assisted Steering (EPAS) that lets you choose from three settings for your preferred steering control.

**04 Leather-trimmed manual gearshift** is perfectly placed with a short, sporty throw between gears.

## ***Seductive***

With its sleek silhouette, Mustang conveys the appearance of a classic sports fastback. Strong side lines with wide shoulders, a noticeable set of haunches and a raked roofline combine for a powerful muscle car look. Mustang changes the way we see things. It's a presence you just can't ignore.

*Authentic*

# *Liberated*

Enjoy the wind in your hair with the captivating Ford Mustang Convertible. Designed from the very start as a convertible, it's packed with all the performance and attitude of the Fastback, but with the added thrill of open-top driving.

*Mustang GT Convertible in Twister Orange body colour (option) with 19" 5x2-spoke design Luster Nickel painted forged aluminium wheels (GT option available in Custom Packs 3 & 4).*

*Memorable*

# Confident

Now you can feel more confident than ever behind the wheel of Mustang. In addition to its powerful braking system – with six-piston Brembo® front calipers on GT models – Mustang benefits from a suite of safety and driver-assistance features.

## **Pre-Collision Assist**

Scans the road ahead for moving objects and pedestrians, even at night, and is designed to warn you if a collision is likely. If you don't react, it automatically starts braking to help slow you down. (Standard)

## **Distance Alert**

Displays the distance to the vehicle in front and can alert you if you get too close. (Standard)

## **Lane-Keeping System**

Warns you if you accidentally drift out of lane on a multi-lane road, and can guide you back safely into the right lane. (Standard)

## **Driver Alert**

Monitors your driving behaviour and can alert you if it detects signs of driver fatigue. (Standard)

# Agile

Mustang has always been a unique sports car, and now the experience soars to a new high. The specially-developed chassis with fully-independent suspension and a stiffened rear end is designed to make this the most agile Mustang ever.

## Limited slip differential

Mustang's limited slip differential is ideally suited to rear-wheel drive sports cars. If one wheel starts to slip, engine torque is automatically transferred to the other wheel. This greatly improves traction and agility during acceleration out of corners and on slippery surfaces. (Standard)

## Selectable driving modes

Mustang also comes with electronic chassis calibration. Four driver-selectable modes – Normal, Sport, Track and Snow/Wet – determine throttle response, gearshift points (on automatic transmission models), steering effort and stability control calibration to suit different driving conditions. (Standard)

## Rev-matching

Mustang GT's 6-speed manual transmission is now offered with rev-matching. This feature is designed to enhance the driving experience by matching the throttle position to the wheel speed for smooth gear changes, especially when down-shifting. Can be turned on/off in Track Apps. (Standard on GT with manual transmission)

*Mustang GT Fastback in Iconic Silver body colour (optional) with 19" 10 Y-spoke design alloy wheels with gloss black painted finish (standard) and rear wing spoiler (option).*

# Athletic

## **MagneRide® Damping System**

For the ultimate driving experience, Mustang is available with MagneRide® Damping System. The system monitors and adjusts itself thousands of times per second to deliver exceptional levels of stability, comfort and control. Four settings are available – Normal, Sport, Track and Drag – so you can tailor the handling to suit the road conditions and the style of driving. (Option)

## **Electronic Stability Control (ESC)**

Designed to compensate for oversteer or understeer, ESC detects sudden changes in steering, braking and vehicle attitude, and adjusts the speed of individual wheels to help keep you on course. (Standard)

#### **Twin-scroll turbocharger**

The 2.3-litre Ford EcoBoost is the first Ford engine to use a low-inertia twin-scroll turbocharger. Together with the integrated exhaust manifold that maximises pulse energy to the turbine, the result is greater responsiveness for overtaking manoeuvres, lower emissions and improved efficiency.

## **Efficient**

Based on state-of-the-art technology, Mustang's 2.3-litre Ford EcoBoost engine offers the perfect balance between dynamic performance and effortless efficiency. A high-capacity direct injection system precisely controls fuel delivery, while a twin-scroll turbocharger delivers 291 PS (214 kW) of power – and instant throttle response.

#### **2.3-litre Ford EcoBoost petrol engine**

With its specially-designed 2.3-litre Ford EcoBoost engine, the Mustang is hungry for fun, not fuel. This powerful four-cylinder unit combines a low-inertia twin-scroll turbocharger, high-precision direct injection and Twin independent-Variable Cam Timing (Ti-VCT) to reduce fuel consumption and emissions, while maximising dynamic performance.

#### **5.0-litre V8 petrol engine**

Performance of an epic scale is provided by the GT's powerful 5.0-litre V8, with a power output of 449 PS (330 kW) and a muscular 533 Nm of torque. Mustang BULLITT's upgraded 5.0-litre V8 engine delivers at least 459 PS (338 kW) and 529 Nm of torque.

The numbers are impressive, but even they fail to convey the rich endless power delivery that results in such effortless flexibility. Or the engine's distinctive throaty growl that provides the soundtrack to every drive.

Mustang powered by **FORD EcoBoost**

# Smart

## Advanced thinking

Mustang helps make your journey more relaxing. Mustang projection lamps illuminate the ground with the iconic Mustang when you unlock the doors. Adaptive Cruise Control will maintain your desired distance from the vehicle in front, even when it slows down (option).

**01 Mustang projection puddle lamps** welcome you aboard by projecting the unmistakable Mustang logo on the ground when you unlock the doors. (Standard)

**02 Adaptive Cruise Control** maintains your desired distance from the vehicle in front. If the sensors detect traffic slowing ahead, your car automatically slows down. When traffic has cleared, your car accelerates back to the pre-selected speed. (Option)

## Heightened enjoyment

Mustang's smart features can help make your driving experience even more special. Pre-Collision Assist with Pedestrian Detection is designed to warn of a potential collision with a vehicle or pedestrian ahead and can apply the brakes if you fail to react. While the powerful B&O Sound System delivers the optimum in-car audio experience (option).

**03 Pre-Collision Assist with Pedestrian Detection** scans the road ahead for moving objects and pedestrians, even at night, and is designed to warn you if a collision is likely. If you don't react, it automatically starts braking to help slow you down. (Standard)

**04 B&O Sound System** is the ideal fit for your new Mustang. Unique Bang & Olufsen speaker patterns perfectly complement the car's distinctive styling – while sophisticated, model-specific tuning elevates the experience of every journey, allowing you to rediscover your music the way the artists intended it to be heard. (Option)

## Connected

### Ford SYNC 3

Ford SYNC 3 integrates seamlessly with your smartphone, letting you control everything from calls and text messaging to music and satellite navigation – all via the 8" touchscreen, or the simplest voice commands. (Standard)

### AppLink, Apple CarPlay and Android Auto

Control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you navigate your smartphone HMI through the SYNC home screen as if it were your handset.

### Digital LCD instrument cluster

Mustang's all-digital cluster lets you customise exactly what you want to see while you're on the road. Choose from three modes – Normal, Sport and Track – to personalise the information that's displayed, right down to the colour of your gauges. (Standard)

### Mustang MyMode

Allows you to save your favourite drive settings, including suspension and steering preferences.

### Effortless connectivity

Now you and your Ford can stay seamlessly connected wherever you are. That's because the FordPass Connect modem and the FordPass App, together unlock a range of features designed to make every journey easier.

### FordPass Connect

FordPass Connect\* can help save you both time and hassle, as well as give you peace of mind (provided as a two year free trial, after this subscription fees are payable).

- Live Traffic\*\* delivers regular traffic information directly to your SYNC 3 Navigation system. The technology then adjusts your recommended route based on the traffic conditions, helping you to arrive more relaxed and on time (two year free trial)
- On-board Wi-Fi\*\*\* – receive up to 4G Wi-Fi for a maximum of ten devices so you and your passengers can enjoy the same connectivity on the move as you would at home (three month free trial)

### FordPass App

FordPass App makes FordPass Connect even more powerful when paired with your smartphone, allowing you to access a host of additional features.

- Use your phone to double-check your car is locked, or allow someone to access your car when you're elsewhere
- Monitor your fuel level, mileage, and tyre pressures, all via your phone
- Find your way back to your parked car on a map
- Receive Vehicle Health Alerts directly to your smartphone

\*FordPass Connect is an optional extra. The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/out of certain data sharing. The technology will be made available in selected markets in 2019, with the remaining markets following through 2020. FordPass Connect feature usage is complimentary for the first 2 years, thereafter a subscription is payable.

\*\*Live Traffic access is complimentary for the first 2 years following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence fee is payable.

\*\*\*Wi-Fi hotspot (up to 4G LTE) includes a complimentary wireless data trial that begins when customers activate the trial with Vodafone and expires at the end of 3 months or when 3GB of data is used, whichever comes first. Afterwards, data bundles can be purchased from Vodafone, refer to their website for details of their data packages. To take advantage of the built-in Wi-Fi hotspot capability, a 2019 Ford vehicle must come with the appropriate hardware, and a data plan is required. Data coverage and service is not available everywhere and terms of your data plan, including applicable message and data rates, may apply.

## Alloy wheels

### Unmistakably Mustang

Complement your new Mustang's stunning style with a set of beautifully designed alloy wheels. Offering an ideal combination of strength and light weight, they not only look great, but help to reduce unsprung weight for enhanced ride and handling.

**19" x 9" 5 V-spoke design alloy wheels with machined and low-gloss black painted finish**

Fitted with 255/40 front and rear tyres.  
(Standard on EcoBoost)

**19" x 9" (front) and 19" x 9.5" (rear) 10 Y-spoke design alloy wheels with gloss black painted finish**

Fitted with 255/40 front and 275/40 rear tyres.  
(Standard on GT)

**19" x 9" (front) and 19" x 9.5" (rear) 5x2-spoke design Luster Nickel painted forged aluminum wheels**

Fitted with 255/40 front and 275/40 rear tyres.  
(GT option available in Custom Packs 3 & 4)

**19" x 9" (front) and 19" x 9.5" (rear) 5 V-spoke design alloy wheels in gloss black with machined-face**

Fitted with 255/40 front and 275/40 rear tyres.  
(Standard on Mustang55)

**19" x 9" (front) and 19" x 9.5" (rear) 5-spoke "BULLITT" themed alloy wheels in gloss black paint finish**

Fitted with 255/40 front and 275/40 rear tyres.  
(Standard on BULLITT)

## Personalise

### Rear spoiler

Complement your car's sporty contours with a rear spoiler, designed and engineered to fit your Mustang. (Option and Accessory)

### Carpet floor mats

Carpet floor mats are tailor-made to fit and help to protect against dirt and damp. The driver's mat is securely fixed directly onto the vehicle's floor to help prevent it from slipping. (Accessory)

### Hood lifter

The hood lifter kit lifts and keeps the bonnet open securely. Made from lightweight steel and aluminum with a durable black powder coated finish. (Accessory)

### Protective cover

Full vehicle covers for Fastback and Convertible help to protect against the elements. With Mustang logo on the front and Mustang nameplate on the rear. Available for exterior and interior use. (Accessory)

### Windstop

Featuring a print of the iconic Mustang logo, it reduces wind noise and turbulence at all speeds for a more enjoyable drive. (Accessory for Mustang Convertible)

### Boot liner

Durable tray-style liner, designed to keep the load compartment clean and tidy, ideal for transporting wet or dirty items. (Accessory)

FORD PERFORMANCE PARTS

# GO

## PERFORM. WITHOUT COMPROMISE

**Designed, engineered and developed for your Mustang.**

The Ford Performance Parts range has been designed and tested by Ford engineers from our motor racing and vehicle personalisation departments, with Ford enthusiasts in mind.

With the added reassurance of original equipment parts and a Ford warranty\*, Ford Performance Parts are the best way to personalise your Ford.

Whether you want to enhance the look, sound or driving dynamics of your Mustang there's a wide range of parts to choose from, including; transmission and chassis upgrades, interior and exterior styling enhancements and suspension modifications.

For more information visit: [ford.co.uk/ford-performance-parts](http://ford.co.uk/ford-performance-parts)

\*Subject to Ford Warranty mileage and duration restrictions; see [www.ford.co.uk/ford-performance-parts](http://www.ford.co.uk/ford-performance-parts)

Fitment of accessories may have an impact on your vehicle's fuel consumption. Items ordered as an option will be fitted in the factory. If ordered as an accessory, items will be fitted at the dealership.

To view a full range of accessories please visit [www.ford-accessories.co.uk](http://www.ford-accessories.co.uk)

For a range of Ford branded items from clothing to lifestyle products, please visit [www.fordlifestylecollection.com](http://www.fordlifestylecollection.com)

# Engines

## Gauge your performance

Whichever engine you prefer, there are no wrong choices with Mustang. EcoBoost models offer a combination of performance and economy. While for even greater power, Mustang GT's high-revving V8 delivers 449 PS (330 kW) along with 533 Nm of torque.

The test used to establish fuel consumption and CO<sub>2</sub> figures has changed to deliver results that are more representative of real life driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption figures shown are derived from the new WLTP test. However, until 6th April 2020, the CO<sub>2</sub> figure shown will be the NEDC equivalent and this will be used to calculate Vehicle Excise Duty.

The table shows the fuel consumption (WLTP) and CO<sub>2</sub> emissions (NEDC equivalent) figures for each available engine on the Ford Mustang. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures.

## Fuel, performance and emissions

<b>Weights and loads</b>							
Kerbweight <sup>†</sup>	1737	1799	1818	1831	1882	1893	1851

<sup>90</sup>Ford test figures. <sup>90</sup>The declared Fuel/Energy Consumptions, CO<sub>2</sub>-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO<sub>2</sub>-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO<sub>2</sub> emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>. <sup>†</sup>Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc. fitted.

### 2.3-litre Ford EcoBoost engine

Specially tuned for Ford Mustang, the 2.3-litre Ford EcoBoost engine combines the performance you expect with impressive fuel economy. Turbocharging with Ford's transient overboost technology uniquely calibrated for Mustang, increases torque for wide-open throttle acceleration.

### 5.0-litre V8 engine

The acclaimed 5.0-litre V8 is the ideal engine for the Ford Mustang. Upgraded valvetrain and cylinder heads help the engine develop more than 449PS (330kW) and 533Nm of torque. Mustang BULLITT is powered by an upgraded 5.0-litre V8 engine delivering at least 459PS (338kW) and 529Nm of torque.

(23.9 mpg combined official test figures for V8 GT with manual transmission)

### Active valve performance exhaust

Mustang is so customisable that even its engine note can be adjusted. A standard active exhaust allows you to change the tone and volume of your exhaust system at the push of a button. (Note: Engine power output may be affected, depending on the exhaust mode selected)

\*\*Combined official test figures. Fastback with manual transmission.

## In touch

### Connect with your world

With clever features and innovative technologies, Mustang helps to put you in touch and in complete control. From the innovative SYNC 3 audio, communication and information system to the rear-view camera, every element has been designed for an effortless drive.

- 01 Rear-view camera** automatically displays the view from behind the car on the 8" TFT colour touchscreen when reverse gear is selected to assist when reversing into or out of spaces where there is limited visibility.
- 02 Live Traffic\*** delivers regular traffic information to your SYNC 3 navigation system. The technology then adjusts your recommended route based on the traffic conditions, helping you to arrive more relaxed and on time.
- 03 Ford SYNC 3** lets you control your phone, navigation, audio and media inputs, and climate control using simple, intuitive voice commands or via the central touchscreen.

\*Live Traffic access is complimentary for the first 2 years following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence fee is payable.  
**Note** Full SYNC 3 smartphone integration is only available with iPhone 5/Android 5.0 (Lollipop) or higher. Some SYNC 3 functions require a data connection, so mobile data charges will apply. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information. Ford Emergency Assistance is an innovative SYNC feature that uses a Bluetooth®-paired and connected mobile phone to help vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

## *Explore your own space*

### Interior features

Mustang's welcoming interior features leather-trimmed, heated and cooled front seats with six-way power adjustment and a driver's power lumbar support so you can find your ideal driving position. The front door scuff plates feature an illuminated 'MUSTANG' nameplate.

**Leather-trimmed heated and cooled front seats** with six-way power adjustment. The driver's seat also includes a power lumbar support. (Optional, not available with Recaro seats)

01

## Top choice

### Make Mustang your own

Enjoy open-air freedom with the Mustang Convertible. Release the latch, press the button and the electrically-operated cloth convertible top retracts quickly and quietly. Or make the Mustang Fastback your own with a black contrast roof that is virtually guaranteed to attract admiring glances.

**01 Power-operated convertible roof controls** have a single latch design to make releasing and fastening the top easy.

**02 Soft top** multilayer insulated fabric roof fits tightly and provides a quiet interior when the top is up. The roof lowers fully in less than ten seconds.

**03 Black contrast roof** helps to set the Mustang Fastback apart. (Option)

# Peace of mind

## Confidence you can feel

Mustang is offered with a comprehensive range of driver assistance and safety technologies.

Pre-Collision Assist with Pedestrian Detection is designed to monitor your proximity to other vehicles and pedestrians and can alert you to a potential collision. Adaptive Cruise Control and Distance Alert technologies are designed to help you maintain an appropriate distance to the vehicle ahead.

Lane Departure Warning can warn if you unintentionally drift out of lane, while Lane Keeping Aid can apply torque to the steering wheel to steer the vehicle back into lane.

In addition, Mustang is equipped with ISOFIX child seat attachment points on the rear seats, plus driver and front passenger's airbags<sup>9</sup>, driver's knee airbag and an active glovebox with an integrated airbag.

### Features include

- Pre-Collision Assist with Pedestrian Detection
- Adaptive Cruise Control
- Distance Alert
- Lane Departure Warning
- Lane Keeping Aid
- ISOFIX child seat attachment points (rear seats only)
- Driver and front passenger's airbags<sup>9</sup>, including side (pelvic and thorax – Fastback only), driver's knee airbag, and active glovebox with integrated airbag

<sup>9</sup>Note: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag. The safest place for children is properly restrained on the rear seat.

## Driving experience

### Get more from each drive

01

With its advanced technology and effortless performance, Mustang takes driving enjoyment to a new level. Whether it's customising gauges inside the cockpit or effortlessly spinning the rear wheels on the track, you can tailor your driving experience like never before.

**01 All-independent suspension** Mustang's suspension geometry has been tuned to provide anti-squat, anti-lift and anti-dive characteristics. This helps keep Mustang's body more level under hard acceleration or braking. (Standard)

**02 Track Apps** displays fun and useful real-time performance information on the in-dash LCD screen to help you get the most from your Mustang. (Standard)

02

Model shown (left) is a Mustang GT with Line Lock demonstration. (Track use only)

## Making ownership easy and affordable.

Take advantage of a range of invaluable services and make the most of your car.

### FORD SERVICE

Allows you to relax knowing we're always by your side.

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car – throughout its life.

- Ford Online Service Booking
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford trained technicians using the latest diagnostic equipment and tools
- One Call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers

Also, every Ford vehicle comes with 12 months UK & European Roadside Assistance from the date of registration. This can be extended for a further 12 months when your vehicle has a Scheduled service at a participating Ford Dealer.

For more information visit [www.ford.co.uk/fordservice](http://www.ford.co.uk/fordservice)

### FORD INSURE

Trust your car insurance to the people that know it best. Designed specifically for Ford owners, it offers value, simplicity and a range of benefits that come as standard.

- Repairs carried out by experts at a Ford Accident Repair Centre
- Guaranteed repairs for as long as you own your car
- Genuine Ford Parts and manufacturer-spec glass
- Courtesy car while your Ford is being repaired at one of our Approved Repair Centres
- Free 24 hour emergency help lines
- Named Drivers earn a Ford Insure No Claims Bonus which can be used on any Ford Insure car insurance policy
- Stereo cover for any audio/visual equipment permanently fitted by the manufacturer
- Up to 90 days cover to drive in Europe

So, for cover designed with your Ford in mind, please call our UK Customer Service Team on 0333 234 9976 or go online at [www.fordinsure.co.uk](http://www.fordinsure.co.uk)

Terms and conditions apply.

Ford Insure contracts are arranged, administered and provided by EUI. EUI is a subsidiary of Admiral Group and is authorised and regulated by the Financial Conduct Authority. Registration number 309378. Registered in England and Wales as EUI Limited Reg. No 2686904. Registered Address: Tŷ Admiral, David Street, Cardiff CF10 2EH

### FORD PROTECT

Extend your warranty up to 5 years/100,000 miles with Ford Protect.

Extend your standard 3-year/60,000 miles warranty and enjoy worry-free motoring for many years to come. Ford Protect provides a range of key benefits including\*:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- With a Ford Protect Plan, the price of covered parts and labour are guaranteed for the length of your plan
- Help prolong the lifespan of your Ford vehicle
- Protects your vehicle resale value

To increase potential resale value, Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

\*Ford Protect terms and conditions apply see [ford.co.uk/extended-warranties](http://ford.co.uk/extended-warranties) for more information.

### FORD Protect Extended Warranty for New Vehicles

	Total Mileage (mls)
4 Year Protection	80,000 mls
5 Year Protection	100,000 mls

## Next steps

### try

Visit your Ford Dealer and test drive the Ford Mustang for yourself. Find your local Dealer: [www.ford.com/SBE/DealerLocator](http://www.ford.com/SBE/DealerLocator)

### build

Go online and build and price your new Ford Mustang to your exact specification.

### finance

When it comes to financing your vehicle, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit\* provides a range of finance products for your vehicle whether you are a private or business user.

Ford Lease^ specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business. Business users only.

For more information about our finance products visit [ford.co.uk](http://ford.co.uk).

\*Finance subject to status. Guarantees may be required. Freepost Ford Credit.

Ford Credit is a trading style of FCE Bank plc. Which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority under firm reference number 204469.

^Ford Lease is provided by ALD Automotive Limited acting as Ford Lease BS16 7LB. ALD is registered in England No. 987418. ALD is authorised and regulated by the Financial Conduct Authority.

### own

When you drive away in your new vehicle, we're with you all the way. Ford has a large authorised service network to help you keep your vehicle in the best condition.

And should your new Ford ever require accident repair, a Ford Accident Repair Centre is the best place to get your vehicle back to its pre-accident condition and on the road as quickly as possible.

### FordPass

FordPass is a new platform that will empower you to rethink the way you move. Finds parking locations nearby, contains vehicle and finance details, dealer information and a host of useful guides.

Live Traffic access is free for the first 2 years following the purchase of a new Ford featuring SYNC 3 with navigation; thereafter there is an annual licence fee.

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. ♦ The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
