ALL 4 THE PERFORMANCE. THE SAFETY. THE RETAINED VALUE

Our DNA is what makes every Subaru a Subaru. It's our constant focus on Performance, Safety and protecting the Retained Value of your Subaru that makes Subaru distinct from any other car brand. Our DNA delivers you, the Driver, the confidence to exploit your Freedom everyday.

POISED PERFORMANCE

Subaru has long been highly regarded for its performance technologies. From the rally circuit to the highway, Subaru's engineering and driving characteristics are focused on delivering a driving experience unlike any other, handling all road and weather conditions with ease, control and comfort.

→ SYMMETRICAL ALL-WHEEL DRIVE

Delivers outstanding grip, balance and control in a variety of road conditions when combined with Subaru's horizontally-opposed Boxer engine technology and a symmetrical drivetrain.

→ HORIZONTALLY-OPPOSED BOXER ENGINE

Ensures smooth power delivery, with less vibration and its low centre of gravity gives optimum balance and control to you, the Driver.

SUPERIOR SAFETY

Impressive safety credentials have earned Subaru the maximum five-star ANCAP occupant safety rating, plus freedom from worry for you, thanks to Subaru's -

→ VEHICLE DYNAMICS CONTROL SYSTEM

→ RING-SHAPED PASSENGER SAFETY CELL

→ DUAL FRONT, DUAL FRONT SIDE AND CURTAIN AIRBAGS

→ ABS, EBD AND 4-WHEEL DISC BRAKES

RETAINED VALUE

Freedom comes from knowing that you've made a great investment. Every Subaru comes into the world as the best car it can be, and then we help you to keep it that way. We promise to protect your freedom by looking after the performance, safety and the retained value of your vehicle. With our dedicated Subaru Service Centres and microscopic **DataDotDNA** theft protection, your car is in good hands for many years to come.

**ALL OF THIS ADDS UP TO A GREATER EXPERIENCE FOR YOU –
THE TRIBECA DRIVER. SUBARU. ALL 4 THE DRIVER.™**

SHARE A BIGGER LIFE

The family's all here. The weekend stretches before you. Pack the Tribeca and head for the hills. Discover somewhere new, rediscover your long lost sense of adventure. Do the things you love and do them more often.

Let the Tribeca take you on an incredible journey. Not one measured by kilometres, but by first times, new discoveries and superlatives.

Style and restraint, are attitudes adopted by Subaru in designing the Tribeca. This seven-seat luxury SUV combines the agility of a passenger car with the adventurous spirit of an AWD. The head-turning Tribeca lines are beautifully sculpted, from the front fog lights, to the dual chrome exhaust. And from the generous-size electric sunroof, to the rear door window and rear windscreen tinted privacy glass.

From whatever angle you look at it, the Tribeca reflects Subaru's design spirit. Sophisticated. Poised. Refined.

→ Self-levelling low beam Xenon headlights.
→ 18-inch, 10 spoke alloy wheels.
→ Sleek, fully integrated roof rails.

ENTER ANOTHER DIMENSION

Unconventional. Enticing. Innovative.
The Tribeca cockpit lifts the spirits
and awakens the senses.

There's a palpable sense of excitement when you slip behind the wheel of the Tribeca. The futuristic dash and distinctive instrument panel set the tone. With its dramatic curves, metallic highlights and wraparound style cockpit, the cabin defines sophisticated luxury and comfort.

The intelligent, dual zone climate control air-conditioning allows the driver and the passenger to set their own temperature for a very individual level of comfort. Driver convenience is also paramount, with steering wheel mounted audio controls and a multi-information in-dash satellite navigation system featuring a seven-inch touch screen, with an intuitive easy to navigate menu. *Bluetooth*^{®1} wireless technology lets the driver keep their hands on the wheel, while the superb quality of the Harmon Kardon amplifier system is brought to life via nine speakers delivering surround sound. And all this luxury is guarded by Subaru's DataDotDNA™ theft protection.

SEVENTH HEAVEN

Designed to cocoon, to comfort and to protect. The Tribeca encourages shared times and shared experiences.

Life today provides few opportunities to disconnect from the world and reconnect with the family. However the luxury and all-inclusive comfort of the Tribeca cabin is one of them. Everyone is treated equally with spacious seats wrapped in leather* upholstery and finished with stylish contrasting stitching. Ample storage and 10 cupholders means everything is close at hand. While refined seating includes an eight-way power adjustable seat for the front passenger* and driver, and a dual memory function on the drivers seat means you can store seating preferences for two different drivers. You'll also see more of the world from the Tribeca cabin that delivers outstanding visibility, optimised for the driver by Subaru engineers.

LIVE LARGE

Embrace the possibilities. Embrace the freedom. Throw in everything that you need for a weekend and still have room to share the adventure with friends.

The Tribeca is a vehicle loaded with potential. The smart use of passenger and cargo space gives the Tribeca multi-faceted versatility. Take an extra member of the family, or take all the gear for your new hobby. Choose your configuration and choose your company.

The ingenious design delivers space, versatility and convenience. The seats in the second row splits three ways, to accommodate three passengers in comfort, two passengers with a generous armrest or both passengers and a long item of cargo. The second row also grows with your family, with the seats sliding forward or backward almost eight inches to accommodate passengers of different ages and sizes.

The easy-to-access third row comfortably takes another two passengers and offers the flexibility of folding down one or both seats when required. And for those times when you've got a serious load to move, you can fold all of the rear seats down to create a cavernous cargo area, complete with handy pull-out tie down points.

→ DISCOVER THE FUNCTIONALITY OF TRIBECA AT SUBARU.COM.AU

CLOCKWISE:

- The third row of seats can be easily accessed from both sides of the vehicle.
- Third row with 50:50 split and fold flat function.
- Generous centre console box and lower console box for front passengers.
- Second row with 40:20:40 split, fold flat, mid-way lock slide and recline function.
- When carrying two passengers the second row has a fold down centre armrest.
- The wide range of storage options means a clutter free interior.

TRIBECA

THINK OUTSIDE THE BOXER

Solid. Brave. Proven. Subaru's Boxer engine design lies at the heart of the Tribeca. However the innovation doesn't stop there. Every inch of the Tribeca is a tribute to the boldness of Subaru's visionary engineers.

- Compact 3.6-litre six-cylinder DOHC horizontally-opposed Boxer petrol engine with Dual Active Valve Control System.
- Electronic Throttle Control (ETC).

The Tribeca features the famous Subaru Boxer engine that has been designed to sit lower and flatter in the engine bay than traditional engines. Due to this unique positioning it delivers less noise and vibration to the cabin, while the lowered centre of gravity improves stability, cornering and traction with the road. Coupled with the Tribeca's symmetrical drivetrain, this configuration delivers superior handling confidence, better balance, smoothness and ultimately, outstanding driver enjoyment.

The intelligent drive systems incorporated into the Tribeca include ETC which seamlessly translates commands from the driver's right foot to automatically select the optimum throttle position for an effortless performance. The ETC system also considers the environment optimising exhaust gas emissions and fuel economy.

Outstanding driver enjoyment is further enhanced by Tribeca's electronically controlled automatic transmission, which gives the driver a choice of three modes. The automatic mode is perfect for everyday driving, Sport mode delivers a heightened performance when you need it and the driver controlled manual option allows for optimum gear selection for your driving style - truly making Tribeca All 4 the Driver.™

ALL WHEELS, ALL OF THE TIME

Scientifically conceived. Rigorously tested for the last 40 years. Subaru's iconic Symmetrical All-Wheel Drive system is the pinnacle of superior Japanese technology. Technology that sets you free.

CONFIDENCE UNDER ALL CONDITIONS

The sign of a true performer, is good balance. And when it comes to driving a Subaru, superior balance equals superior vehicle control. That's why Subaru has built its reputation on its Symmetrical All-Wheel Drive (SAWD) system and a symmetrical drivetrain that deliver an innate sense of balance from the ground up.

SAWD delivers engine power to all four wheels simultaneously. Having power distributed across all four wheels, rather than two on conventional vehicles, gives you twice the grip capacity. So under acceleration there's more grip for cornering and more capacity to keep on track through the corners. Ultimately, having the driving force spread across all four wheels means greater control and confidence under all conditions.

The traction and control delivered by SAWD is further enhanced by the Tribeca's suspension. The wide track front suspension produces more responsive steering and cornering, while the independent double wishbone rear suspension lets you enjoy sharper handling, instinctive responsiveness, better balance and a better feel on the road.

For you, the driver, it all adds up to an agile and responsive vehicle with optimum balance, control and confidence in a variety of driving conditions.

SAFETY AS ACTIVE AS YOU

The life you've longed for is active, adventurous, unpredictable. The best times are often those that happen, when nothing's planned. That's because Subaru has planned everything for you. Building active and passive safety into every aspect of your Tribeca.

CRUNCH TIME

Because you never know what's around the corner, Subaru have made safety an integral part of every vehicle. By incorporating the very latest safety technology, every vehicle in the Subaru range proudly carries the maximum five-star ANCAP* crashworthiness rating for occupant safety. The ring-shaped passenger cell is made from high-tensile strength steel, which directs impact energy around the passenger compartment, not through it.

Thanks to Subaru's electronic driver assist system, called Vehicle Dynamics Control (VDC), a range of stability and braking technologies step in to maintain safety in extreme situations. By automatically acting on information transmitted from a sophisticated array of sensors, the factors influencing the Tribeca's stability are constantly monitored to help the driver stay in control.

Subaru Vehicle Dynamics Control incorporates:

- Electronic Stability Control (ESC).
- Traction Control System (TCS).
- TCS Limited Slip Device (LSD).
- Anti-lock Braking System (ABS).
- Electronic Brakeforce Distribution (EBD).
- Brake Assist.

Active safety features on the Tribeca are complemented by an optimum blend of passive safety, designed to enhance driver and passenger protection:

- The Boxer engine sits low in the engine bay to help protect occupants by sliding below the cabin - not into it - in the event of a severe frontal collision.
- Ring-shaped passenger safety cell combines rigid reinforced sections with crumple zones designed to absorb impact energy and reduce injury.
- Six SRS airbags - dual front, dual front side and curtain airbags.
- Front seatbelts feature pretensioners and load limiters.
- Automatic Emergency Locking Retractors on all rear seatbelts.
- Height adjustable headrests throughout the cabin.
- Rear view reverse camera.

*Australasian New Car Assessment Program.

SUBARU NEW CAR WARRANTY - THREE YEARS / UNLIMITED KILOMETRES

Whether you're off the beaten track or cruising the open highway, you can rest assured knowing that your new Subaru is covered by a three year unlimited kilometre manufacturer's national warranty. That's three full years of worry free driving! For full details and our latest new car warranty information, visit subaru.com.au/service/warranty

But why stop there, when you're sure to have your Subaru for much longer? Protect your investment by purchasing an additional two year Subaru Assured New Vehicle Warranty. Ask your Subaru Retailer for more information.

SUBARU ASSURED USED VEHICLES

Owning a Subaru that has already traversed highways and byways is like travelling with an old friend. Every Subaru Assured Used Vehicle has passed a 116-point quality inspection and comes with a one year unlimited kilometre Subaru Assured Warranty - to complement the balance of a new vehicle warranty or the statutory warranty that remains - from participating Subaru Assured Retailers.

SUBARU PREFERRED COLLISION REPAIRER NETWORK

When you take the road less travelled, you're going to get wet and you're going to get dirty. But should you put a dent in your freedom, there is a dedicated Subaru Preferred Collision Repairer helpline available on 1800 737 179, 24-hours a day, seven days a week. Plus the national network of appointed Subaru Preferred Collision Repairers, can return your Subaru to its former glory.

DATADOT_{DNA}[®]

Every Subaru is fitted with advanced engine immobilisers and DATADOT_{DNA}[®] technology. Approximately 7,000 microscopic dots are laser-etched with your vehicle's unique Vehicle Identification Number - making your Subaru a much less attractive target for potential thieves. In fact, provided you meet certain terms and conditions (such as a requirement that the vehicle is properly registered and comprehensively insured at the time of theft) DATADOT_{DNA}[®] will even pay your insurance excess (up to a maximum of \$800 incl GST) should your new Subaru be stolen in the first year of ownership and the vehicle is not recovered despite the presence of DATADOT_{DNA}[®] and warning labels¹.

1. Claims must be received from the vehicle's registered owner within 45 days of the theft accompanied by a police report in relation to the theft and proof that the insurer has fully paid out the claim.

SUBARU FINANCE

Relax with Subaru Finance and enjoy your freedom faster with our range of personalised and affordable financial solutions to approved customers. Our finance specialists will help you find a finance package that is tailored to your individual needs - quickly and conveniently. So let Subaru Finance do the work for you, it's what we do best.
