

# 2021 Compass

**Jeep**<sup>®</sup>

these roots  
have run deep  
since 1941

BORN AS A PURPOSE-BUILT 4x4 FOR THE FRONT LINES OF WWII IN 1941, JEEP® 4x4s SOON TRANSITIONED FROM THE BATTLEFIELDS TO THE FARM FIELDS AND BACKROADS OF AMERICA, WHERE THEY KEPT UP WITH HARD DAILY USE IN INDUSTRY AND RECREATION ALIKE. THROUGH 80 YEARS AND ALL MANNER OF TERRAIN AND WEATHER, A GROWING LINEUP OF JEEP® 4x4s HAS CONSISTENTLY MOVED THE BAR WITH STRONG DRIVETRAINS, INNOVATIVE DESIGNS AND QUALITY COMPONENTS THAT STAND OUT FROM ALL OTHER 4x4 SUVs.

make a true

connection

Limited in Granite Crystal Metallic

A clean, sculpted exterior design is at once unique and eye-catching while immediately recognized as giving Jeep® Compass a distinctive seat at the Jeep Brand family table. Move inside and you'll find connectivity and technology riding front and center, with standard Uconnect® systems, large high-definition touchscreens, reconfigurable instrument clusters, an available Sun and Sound Group including a Dual-Pane Panoramic Power Sunroof, and a Premium Alpine® Speaker System featuring nine fine-tuned speakers, including a booming subwoofer.

# elevate the urban landscape

Thoroughly infused with authentic Jeep® Brand style, Compass arrives with the well-recognized design cues and adds unique flair. There's the upscale interpretation of the Brand's seven-slot grille, the fluid lines of the trapezoidal wheel wells and available Bi-xenon High Intensity Discharge (HID) headlamps with an LED signature strip that get noticed. A full suite of advanced safety features, standard on Limited and Trailhawk®, adds another level of peace of mind to all travels. Plus, every Compass arrives with the Jeep Wave® Customer Care Program that provides a full roster of benefits, enhanced owner support and member savings.

A white SUV is driving on a curved, elevated highway that follows the coastline. The highway is supported by concrete pillars and has a metal guardrail. The ocean is visible to the right, and a rocky shore is in the foreground. The sky is clear and blue.

there's only one  
here's yours

Limited in White

- Available SiriusXM Travel Link<sup>16</sup> and SiriusXM Traffic Plus<sup>16</sup>

\*A note about this brochure: all disclosures can be found on the last page.

Jeep

## freedom, meet imagination

Jeep Compass Limited merges the freedom<sup>®</sup> to Go Anywhere, Do Anything<sup>®</sup> with inspiring features, like the available Bi-xenon High Intensity Discharge (HID) headlamps with a unique LED signature strip of lights and LED taillamps that stand out, day or night. A generous infusion of eye-catching chrome on the grille surrounds, fog lamp bezels, lower front and rear accents, door-trim molding, badging and roof rail inserts adds upscale distinction for an impressive display of extra shine. Leather-trimmed, heated front seats and a leather-wrapped, heated steering wheel offer quick warmth and are welcome premium standard features.

technology-driven

Limited with Black / Ski Grey perforated leather-trimmed seating and Piano Black interior accents

Limited sets the scene within its upscale premium cabin, starring LED ambient lighting that illuminates bold Piano Black and Silver Anodized bezels with chrome accents. Quick relief from the cold is offered by way of the heated steering wheel and heated front seats, both standard on Limited. Fingertip controls on the steering wheel help keep eyes on the road while adjustments are made to entertainment and communication systems, vehicle speed, the standard 7-inch full-color Driver Information Display and more. Two USB ports, two 12-volt outlets, an auxiliary port and a 115-volt auxiliary power outlet help devices, computers, phones and tablets stay powered up and in play. Apple CarPlay<sup>®9</sup> compatibility and Android Auto<sup>™10</sup> integration are standard.

take it all in

Limited with Black / Ski Grey perforated leather-trimmed seating, Ruby Red accent stitching and Piano Black interior accents

Dramatic and inspired, the Elite Interior Group raises interior finery to elegant heights and includes a standard Uconnect® 4C NAV with a large, 8.4-inch full-color touchscreen display. Premium leather-trimmed, cushioned seats are generously padded, providing welcome, comfortable support. Ventilated power 8-way driver's and front-passenger seats with driver's seat memory and a power 4-way lumbar adjust keep fatigue at bay, no matter how long or short the trip, and a reversible carpet/vinyl rear cargo mat helps keep things neat. A two-tone interior color palette is dramatic and especially elegant. All of these premium options are available on Limited models.

The dual-pane sliding-glass ceiling spans the full length of the roof and includes a power-controlled sunshade and glass panel with vents in front and a fixed-glass window in the rear. Pinch protection keeps hands and fingers safe. Available.

Invite more light into the cabin with the available Dual-Pane Panoramic Power Sunroof. With the power sunshade, there's more than an amazing way of looking at the world — you'll experience a new world of fresh-air freedom altogether. Jeep<sup>®</sup> Compass is as eye-catching as it is functional with an available Gloss Black roof. It seamlessly integrates with the Dual-Pane Panoramic Power Sunroof, conveying a design of contemporary sophistication.

Limited in Redline Pearl Coat

AUTO

SNOW

SAND

MUD

ROCK  
(TRAILHAWK® EXCLUSIVE)

# Selec-Terrain® Traction Management System

**AUTO** In this mode, Selec-Terrain® does the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

**SNOW** Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

**SAND** Converts to a uniquely calibrated Sand Mode that utilizes aggressive throttle and upshift points to tackle looser, sand-covered surfaces.

**MUD** Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios that are geared to successfully tackle mud.

**ROCK** Delivers Trail Rated® Four-Wheel-Drive (4WD) Low capability thanks to its locking rear differential, allowing you to crawl over rugged terrain at appropriately safe speeds. Standard on Trailhawk®.

## THE FIVE MODES OF SELEC-TERRAIN

Every Jeep® Compass equipped with available 4x4 capability arrives with a Jeep Selec-Terrain Traction Management System, giving you the power to tackle Mother Nature's toughest conditions. Its selectable dial features Auto, Snow, Sand and Mud settings and, exclusive to Trailhawk, Rock Mode that doubles down on traction control to help master challenging conditions during on- or off-road travels. Selec-Terrain effectively coordinates 12 vehicle systems, including throttle control, transmission shifting, transfer case, traction control and Electronic Stability Control (ESC).<sup>2</sup>

# power through with Trailhawk®

Trailhawk® in White

The Trail Rated® Jeep® Compass Trailhawk® raises your confidence to go out and boldly conquer the most challenging road conditions out there. You're sure-footed thanks to authentic Trail Rated Jeep Brand DNA. The Trail Rated badge of honor tells the world your Jeep Compass is fully equipped to Go Anywhere, Do Anything® and perform with exceptional Four-Wheel-Drive (4WD) capability. Every Trail Rated vehicle must successfully pass tests in five performance categories: Traction, Articulation, Maneuverability, Ground Clearance and Water Fording.<sup>17</sup> Standard on Trailhawk.

The Convenience Group on Trailhawk gathers welcome comforts designed to quickly chase away the cold. This Group enhances your experience of winter's wonder with a heated leather-wrapped steering wheel, heated front seats, a windshield wiper de-icer, a reversible carpet/vinyl cargo mat, power 8-way driver's seat with power 4-way lumbar adjust and manual 6-way front-passenger seat, and the Remote Start System!<sup>11</sup>

Also available on Latitude models with additional premium features.

designed for a  
lifestyle of freedom

### Trailhawk® Elite Interior Group

- Premium leather-trimmed bucket seats with ventilated front seats
- Power 8-way driver and front-passenger seats with power 4-way lumbar adjust and driver's seat memory
- Uconnect® 4C NAV with 8.4-inch touchscreen display

Trailhawk® with available Black perforated leather-trimmed seats and Ruby Red accent stitching

Trailhawk is designed to help make your life more adventurous, and its sport-inspired cabin is designed to keep you comfortable and traveling in style while you're at it. Red accent stitching stands out on the cushioned seating, with Ruby Red bezels offering additional enhancements. The Trailhawk logo is embroidered in Ruby Red on the front seatbacks, a proud announcement of this vehicle's authentic DNA.

confidence  
forged by capability

Trailhawk® in Spitfire Orange

The Trail Rated® Trailhawk® raises your confidence with its sure-footed prowess and a long list of standard safety and security features, all working together to fortify you with all-weather 4x4 capability. It presents a unique profile, with a 1-inch increase in height; rugged lower, front and rear cladding; a Black-painted roof and Black hood detail; unique 17-inch wheels and tires; skid plates; and front and rear signature Ruby Red tow hooks and badging.

The standard Jeep® Active Drive Low full-time 4x4 system, equipped with standard Selec-Terrain® with Rock Mode, operates to safely usher you up, over and across the most challenging roads.

Every 4x4 Jeep Compass can forge streams up to 16 inches deep.<sup>17</sup> What's more, with its standard Jeep Active Drive Low 4x4 system, Trailhawk can safely tackle up to 19 inches of water.<sup>17</sup>

Jeep<sup>®</sup> Compass combines strength of purpose with the ability to travel further between fill-ups. You'll also be empowered with the capability to pull and pass when the need arises. All in all, you'll find that Jeep Compass makes a notable and exciting entrance and will continue to earn high marks, whether you're driving around the corner to the market or taking a road trip across the country.

The background of the advertisement features a scenic view of a winding asphalt road with yellow double lines, curving through a lush green forest. In the foreground on the right side, a detailed close-up of a silver 2.4L MultiAir I-4 engine is shown, with its various components like belts, pulleys, and the alternator clearly visible. The engine cover has "2.4L MultiAir" written on it in red. The overall scene is bright and clear, suggesting a high-quality driving experience.

# there's more to Jeep® Brand powertrains

**2.4L Tigershark® MultiAir® 2 I-4 Engine** Engineered to deliver the best of both worlds: a quiet and refined performance backed by the ability to power through tough terrain. A fuel-efficient<sup>19</sup> workhorse. Standard.

**Engine Stop/Start (ESS) Technology** This welcome feature on Jeep® Brand engines helps minimize emissions while optimizing efficiency. ESS seamlessly turns off the engine at stops, then restarts it when the brake pedal is released and the transmission is engaged. Standard.

**9-speed automatic transmission with AutoStick** Smooth gear transitions through all nine gearshifts deliver a ride that feels luxurious and confident. Economies are maximized, and performance is optimal at all times. Standard on 4x4 models.

**6-speed automatic transmission with AutoStick** This compact, lightweight transmission offers a high-precision clutch that's smooth and responsive. It's a highly efficient performer that helps realize economies thanks to its next-generation electronics. Standard on Front-Wheel-Drive (FWD) models.

BLIND SPOT MONITORING<sup>3</sup> AND  
REAR CROSS-PATH DETECTION<sup>4</sup> SYSTEMS

# diligent safety and security

PARKSENSE<sup>®</sup> REAR PARK ASSIST SYSTEM<sup>5</sup>

**PARKSENSE<sup>®</sup> REAR PARK ASSIST SYSTEM<sup>5</sup>** This system uses rear ultrasonic sensors to determine relative distance to objects in your back-up pathway. Read-outs in the Driver Information Display notify the driver of rear-object proximity. Available.

**FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING (FCW+)<sup>1</sup>** Sensors detect when Jeep<sup>®</sup> Compass may be approaching another vehicle too rapidly. They may send an audible and visual alert to the driver and may provide braking if necessary. Available.

**ADAPTIVE CRUISE CONTROL WITH STOP & GO<sup>6</sup>** Take the guesswork out of keeping a safe distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Jeep Compass to a complete stop without driver intervention to help avoid a collision. Available.

**ELECTRONIC STABILITY CONTROL (ESC)<sup>2</sup>**

A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. ESC<sup>2</sup> coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Advanced Brake Assist, All-Speed Traction Control, and Trailer Sway Control (TSC)<sup>20</sup>, sending them into action when needed. Standard.

**LANESENSE<sup>®</sup> LANE DEPARTURE WARNING PLUS (LDW+)<sup>7</sup>** Provides a visual warning and steering-wheel movement should the vehicle drift outside of lane boundaries and an audible warning if the driver's hands are off the wheel. Available.

**BLIND SPOT MONITORING<sup>3</sup> AND REAR CROSS-PATH DETECTION<sup>4</sup> SYSTEMS** These systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via helpful icons illuminated on sideview mirrors and an audible chime. Available.

ADAPTIVE CRUISE CONTROL  
WITH STOP & GO<sup>6</sup>

**Rain-Sensitive/Intermittent Windshield Wipers and Rain Brake Support** Showers should never be a showstopper. Front wipers activate when raindrops are detected. Available. The smart Rain Brake Support System helps dry the front brake rotors on wet roads. Standard.

**Trailer Sway Control (TSC)<sup>20</sup>** Crosswinds and traffic hold no sway over you and your payload. As part of Electronic Stability Control,<sup>2</sup> TSC<sup>20</sup> helps keep you and the toys you tow safely on course. Standard.

**70** plus  
STANDARD AND AVAILABLE SAFETY FEATURES

**A Secure Air Bag<sup>8</sup> System** Your need for security is fully respected with this all-around air bag<sup>8</sup> system. Full-length side-curtain, seat-mounted side thorax, and advanced multistage front and driver's inflatable knee bolster air bags<sup>8</sup> all work together to help provide protection. Standard.

**Chassis Strength** Ride with fortitude. Jeep<sup>®</sup> Compass delivers exceptional peace of mind with a champion's heart — a strong unibody structure is engineered with approximately 70 percent hot-stamped steel. Standard.

**ParkView<sup>®</sup> Rear Back-Up Camera<sup>4</sup> with Active Grid Lines** Back out safely with grace. This system helps bring previously hidden rear objects to your attention on-screen in good time to react. You can also keep an eye on anything in tow while in motion. Standard.

**Tire Pressure Monitoring System** Sensors immediately provide notification via the Driver Information Display if pressure drops below the minimum acceptable level on any tire. Standard.

**Integrated Voice Command with Bluetooth<sup>®</sup>** Allows drivers to safely send, reply or listen to a text<sup>21</sup> and take or make phone calls while keeping both hands on the wheel. Standard.

urban adventures are calling

Limited in Velvet Red Pearl

Travel well and enjoy special treatment all along the way. Standard push-button start eliminates fumbling for keys to the ignition and gets you going with a simple button push. Choose additional available conveniences to simplify your commute, including Keyless Enter 'n Go,<sup>™</sup> windshield wiper de-icer and rain-sensitive windshield wipers.

**//////ALPINE**

The Premium Alpine® Speaker System is known for its outstanding tonal balance and definition. This system helps create a haven of audio enjoyment, delivering an impressive, realistic sound experience. It features a 12-channel, 506-watt amplifier and nine perfectly placed speakers (including a dual voice coil, 8-inch subwoofer) that work together in perfect harmony. Available.

concert-quality  
audio experience

**//////ALPINE**  
SOUND SYSTEM

expand the rules of play

## 59.8 cu ft of cargo room

Loading is easier with the convenient power liftgate. Open the rear cargo area by using your key fob, and you'll put struggling with armfuls of packages in the past. Available.

The height-adjustable cargo floor adjusts up to three levels to accommodate the variety of items you need to carry. Keep the floor level for easy loading. Available.

A generous cargo area lets you carry on as you see fit, with room to accommodate gear, luggage and the family pet. Flip the second-row seats forward to reveal 59.8 cu ft of room to carry along everything you need. With multiple cup holders, cubbies and storage areas, Jeep<sup>®</sup> Compass helps keep trips organized and uncluttered.

**Stash it.** The center console can carry devices, phones, cameras and snacks. Handy cup holders are situated in the doors, center console and rear-passenger area. Standard.

**Configure it.** The configurable 60/40 split-folding rear seats give you plenty of options. Rear passengers can adjust them to their liking. Two cup holders are revealed by folding down the center armrest. Flip down one or both of the split seats to accommodate your gear. Standard.

**Stow it.** Keep your cabin neatly organized with the many storage options throughout. The glove box opens to accept larger items. A netted side pocket holds even more. Standard.

Get the big picture up front with the available Uconnect® 4C NAV with 8.4-inch touchscreen display and pinch-to-zoom capability.

Every Jeep® Compass arrives with a Media Hub including a 12-volt power outlet, an auxiliary input jack and USB port, and a second USB port for second-row passengers, along with Apple CarPlay®<sup>9</sup> compatibility and Android Auto™<sup>10</sup> integration.

Fingertip controls on the steering wheel instantly scroll you through a selection of vehicle data displayed front and center on your instrument panel. Set your cruising speed or, with the available Adaptive Cruise Control with Stop & Go,<sup>6</sup> configure your speed and how much space to keep between you and the car ahead. Brakes are automatically applied and speed adjusted should the car ahead slow down. You'll even come to a complete stop without driver intervention to help avoid a collision.

Instantly, you'll scroll through a selection of vehicle data displayed front and center on your instrument panel in living color. You'll quickly access vehicle performance stats, vehicle alerts, fuel consumption data and more. Standard on Trailhawk,<sup>®</sup> Limited and 80th Special Edition models and available on Latitude models. A 3.5-inch Black-and-White, high-resolution DID is standard on Sport and Latitude models.

Look front and center at the 7-inch full-color Driver Information Display (DID) for a range of vehicle data accessed via controls on the steering wheel.

## IN TOUCH WHEREVER YOU GO

The Uconnect® system is your customizable, connected vehicle platform dedicated to safe and seamless communication, navigation and entertainment — all from one easy-to-use touchscreen.

Uconnect®

You're always connected with Uconnect, whether in your vehicle or via the app<sup>22</sup> on your iPhone® or Apple Watch, which allows you to lock and unlock your vehicle remotely.

# Authentic Jeep® Brand Vehicle Accessories

When it comes to Jeep® Compass, not all parts and accessories are created equal. As the official service, parts and customer care provider for the Jeep Brand, only Mopar® Parts and Accessories can ensure the proper fit, finish and functionality. That's because they're original equipment, engineered by the same people who designed your vehicle, which means you can personalize your ride with complete confidence.

Mopar is also more than parts and accessories. We're here to help you properly maintain and care for your vehicle. Our certified technicians are trained to know your vehicle best, and our Mopar Express Lane service departments are set up to get you in, out and back on the road again. From parts and accessories to expert service and more, always be sure to choose Mopar. Learn more at [mopar.com](http://mopar.com)
