

# The Ceed

Movement that inspires

GT-LINE S EXTERIOR

3

## The new Ceed family. For pleasure. For leisure. For life.

The great thing about life is that there are so many ways to enjoy it. And that's where the new Kia Ceed 5-door family hatchback range steps up to the mark. Each is designed to suit your very own version of driving pleasure - with bold style, innovative technology and exceptional comfort. Take your pick from the striking Ceed or the stunning Ceed GT Line with further-enhanced dynamic styling. And if you crave even greater performance, opt for the hatchback GT. Whichever Ceed you choose, you're on track for an exhilarating ride.

GT-LINE S INTERIOR

Prepare to impress.

The GT-Line S interior delivers a dynamic statement with a D-cut steering wheel and stylish upholstery options. It's available with a black faux suede and leather combination featuring grey stitching and the GT-Line logo. The black headlining rounds off the sporty ambience inside.

(Image shown for illustration purpose only and may not be to UK specifications)

GT EXTERIOR

## Make your mark.

The Ceed GT is a force to be reckoned with. Distinguishing features? The unmistakable GT logo on the dark chrome-framed, black high gloss honeycomb grille with red accents.

Bold red colour highlights also grace the side mouldings and the 18" diamond-cut alloy wheels. Last but surely not least, the full-performance dual exhaust emits the sound of the powerful 1.6 T-GDi engine.

GT INTERIOR

## Zoom in on style.

In the Kia Ceed GT, red signifies sportiness: you'll find bold colour accents throughout, from the contrast stitching on the leather and faux suede upholstery to the GT logo on the seats and the D-cut steering wheel.

(Image shown for illustration purpose only and may not be to UK specifications)

Add more freedom.

Need more room to enjoy your day? Meet the Kia Ceed Sportswagon. It combines assured, athletic design with heaps of space and a dynamic drive. At the front, it shares the hatchback's design credentials, while the low, sleek profile with its chrome-framed windows extends further than ever before. Plus, the sleek roof rails give you the freedom to add whatever you need. So let nothing stop you.

INTERIOR DESIGN

9

Pick your dream team.

Refined and intuitive in equal measure, in the Ceed everything is designed around the driver: the seamless, horizontal layout of the instrument panel creates a light and airy atmosphere. This sense of roominess is matched by soft-touch surfaces emphasizing the high-quality feel of the interior. Exceptional style is paired with innovative technology: it includes a seamless 10.25" touch screen with navigation system and automatic climate control. So choose your teammates, or go it alone.

MILD HYBRID

# Transform the future.

The new Ceed family features our EcoDynamics+ Mild-Hybrid Powertrain System, offering low-emission everyday driving. By cleverly pairing the latest 1.6 CRDi diesel engine with a 48-volt lithium-ion battery, it can reduce fuel consumption and vehicle emission levels. What's more, the integrated 'e-system' recovers kinetic energy during deceleration phases to provide torque assistance when accelerating.

### Start

The engine is started by the 'e-system' to ensure a prompt and smooth start.

### Torque Assist

During acceleration or uphill driving, the 'e-system' provides torque assistance by taking energy from the battery to support the engine.

### Cruising

When driving at a constant speed, the combustion engine partially recharges the battery on the go if the charge level is low.

### Sailing

Mild Hybrid with iMT additionally features the 'sailing function'. When the driver lifts their foot from the throttle and lets the car sail without accelerating, the engine will seamlessly and smoothly switch off, resulting in fuel savings. As soon as the throttle is pressed, the engine will immediately take over. The distance covered with engine off depends on driving conditions and vehicle speed.

### Energy Recuperation

When decelerating or braking, the energy generated by the vehicle motion is converted into electrical energy to recharge the battery.

### Moving Stop & Start

When decelerating to a stop, the combustion engine turns off automatically during in-gear deceleration and braking to save fuel.

# Expect more. Enjoy more.

POWERTRAIN

If you like exploring new territory, you've come to the right place. The Kia Ceed offers dynamic engines to suit your taste. Choose between powerful yet efficient petrol (now also available as Plug-In Hybrid) or diesel engines. While gasoline particle filters are standard on all petrol engines, diesel models are fitted with an advanced selective catalytic reduction system.

### 7-speed DCT (dual-clutch auto transmission)

The latest-generation 7-speed dual-clutch transmission ensures a dynamic drive and excellent fuel efficiency.

(Plug-In Hybrid comes with a 6-speed auto DTC - dual-clutch auto transmission)

### Manual transmission

The 6-speed manual transmission combines quick, smooth gear changes and gear ratios matched to engine torque curves. The result? A perfect balance between power and efficiency.

### Paddle Shift Levers\*

The paddle shift levers allow you to change gears swiftly without taking your hands off the steering wheel. They also make driving more dynamic and intuitive, while leaving you in complete control\* (grade dependant).

### Drive Mode Selection (DMS)\*

Designed to enhance your driving experience, Drive Mode Select can be operated via a button next to the gear shift. Working with DCT, it enhances driving dynamics by providing an improved throttle response and acceleration. DMS also offers a better steering response and perfectly complements the 17" and 18" wheels that are available with DCT/DMS.

\* DMS and paddle shift levers are available only for models with a DCT transmission (grade dependant).

## UVO Connect... Your free seven-year connected services.

UVO Connect opens your Kia to the world of connected services. Once activated, it enables a number of essential digital features in your car. You can also install the UVO app on your smartphone and pair it with your Kia to control certain functions remotely and consult a wealth of information about your car.

### In-car services

Your free seven-year UVO Connect, once activated, uses your vehicle's embedded SIM card to connect it to the world of live data.

#### Real-time traffic information

Your navigation system uses live traffic information to recommend the best route and dynamically predict the most accurate arrival time.

#### Speed cameras and danger zones

Be alerted to speed and traffic light cameras, and to areas where accidents are particularly common.

#### Weather forecast

With up to three days' weather forecast available, you can check weather conditions at your destination.

#### Points of interest

Are you looking for a place to eat, a local business or somewhere special to visit? All this information and more is easily accessible via your Kia's live, connected directory.

#### Parking

UVO Connect helps you find available parking locations. It shows on- and off-street parking locations, including prices and likely availability.

#### Fuel station information

The system shows you the nearest petrol stations and prices to plan a refuelling stop.

#### Online voice recognition

Use voice commands to find nearby points of interest, weather conditions or send a text message.

### Mobile application services

Once UVO is activated in your Kia, it gives you access to a wide range of useful functionalities through the UVO mobile phone application (available on Apple™ and Android™).

#### Find my car

You can check the location of your car from your smartphone so you never lose track of it.

#### Vehicle status

The UVO app gives you an overview of your Kia's status including fuel/battery level, doors, windows, bonnet or tailgate. It lets you know if any of the vehicle's functions isn't working properly.

#### Notifications and remote door control

You get warned if your vehicle's anti-theft alarm is triggered or if you left your doors unlocked. What's more, you can lock and unlock doors from your phone, wherever you are.

#### My trips

Consult a summary of your trips, including time, distance travelled and speed information.

#### Send to car

Select your destination on your phone and send it to your vehicle so you can set off straight away once behind the wheel.

## EQUIPMENT

## Let the Ceed take care of it.

Comfort and convenience make it big in the Kia Ceed. A whole range of great equipment from the heated steering wheel to the 10.25" touchscreen navigation system ensures your journey is as relaxed and as inspiring as possible (grade dependant).

**Bright ideas**

The front of the Kia Ceed merges high-tech with striking design for maximum effect. It features full LED headlamps and "Ice-Cube" LED Daytime Running Lights, fog lamps and 17" alloy wheels (grade dependant).

**USB outlet**

Stay connected wherever you're headed: USB outlet in the front centre console allows you to plug in your devices to listen to music and to charge your phone or tablet with the USB charger.

**10.25" Touch Screen Satellite Navigation with Telematics**

The easy-to-use 10.25" colour touch-screen audio system (grade dependant) includes useful features such as control of Digital Audio Broadcast (DAB), smartphone connectivity with Android Auto® and Apple CarPlay®, as well as a display for the rear-view camera.

**Electronic parking brake**

In the Kia Ceed, convenience and safety go hand in hand: there's no need to pull a lever to activate the parking brake - it just requires a touch of a button (grade dependant).

## SAFETY AND ASSISTANCE

## Protect yourself with advanced features.

Peace of mind is key to enjoying your ride. That's why the Kia Ceed comes with innovative features and sophisticated technology to keep you and your passengers as safe as possible.

**Smart Cruise Control (SCC)\* with Stop and Go**

Using a camera and radar, Smart Cruise Control can regulate both the Ceed's speed and the distance to the car in front (grade dependant). The system maintains the distance to the preceding vehicle by automatically modulating your car's speed. If the vehicle ahead picks up the pace, the Ceed accelerates up to the set speed. If the vehicle in front slows down and the predetermined safe distance cannot be maintained, the system will reduce the speed, or even stop the car. A helpful feature, particularly in stop and go traffic.

**Forward Collision-Avoidance Assist (FCA)**

The FCA system can detect preceding vehicles and pedestrians crossing the road (grade/option dependant). Using a camera and radar sensors to monitor the velocity of and distance between vehicles, it warns the driver in the event of a potential collision risk by activating a visual alert. In conjunction with pedestrian detection, the steering wheel gives a haptic response. If there is no driver reaction, the car brakes automatically to avoid or mitigate an accident.

**Lane Keeping Assist (LKA)**

No need to worry about drifting out of your lane. The Lane Keeping Assist uses a camera mounted at the top of the windscreen to monitor lane markings, and if you move out of the lane unintentionally the system will alert you and even help steer the car back into your lane.

**Driver Attention Warning (DAW)**

The system detects whether you're losing concentration by monitoring the pattern of the steering wheel, indicator, acceleration and overall duration of the journey. If you show signs of drowsiness or inattentiveness, DAW alerts you with a warning sound and a coffee cup symbol in the cluster.

**Speed Limit Information Function (SLIF)**

The Speed Limit Information Function gives you all the necessary information to help you stay within the speed limits. Using the camera on the windscreen, it reads speed limits and displays the information clearly on the navigation screen and cluster (grade dependant).

**Blind-Spot Collision Warning (BCW)**

The Blind-Spot Collision Warning system has radar sensors that monitor your blind spots and warn you of approaching cars with a symbol in the side-view mirror (grade dependant).

### SAFETY AND ASSISTANCE

## Stay safe with smart assistants.

The Kia Ceed assists you with innovative features that enable you to drive more safely. Negotiating traffic jams, help with parking or shining a brighter light into corners at night? The Kia Ceed takes care of it so you can avoid potential danger.

### Lane Following Assist (LFA)\*

LFA makes driving in traffic jams easier and safer. The system uses sensors to maintain a safe distance to the preceding vehicle and controls acceleration, braking and steering while monitoring road markings to help keep your car in the centre of its lane. LFA works between 0 and 81mph.

\*Lane Following Assist (LFA) is grade & transmission dependant.

### High Beam Assist (HBA)

When the camera in the windscreen detects the headlights of an oncoming vehicle at night, the High Beam Assist system automatically switches to low beam to avoid dazzling other drivers. Once the car has passed, the high beam is automatically switched back on.

### Rear-view camera

The Rear-view camera gives you the full picture when reversing into a parking spot by displaying dynamic guidelines on the display screen to help guide you into place.

### Rear Cross-Traffic Collision Warning (RCCW)

When reversing out of a parking space or driveway, the radar-based Rear Cross-Traffic Collision Warning system alerts you to potential traffic crossing your path (grade dependant).

### Smart Parking Assist

The Smart Parking Assist makes parking a breeze. It uses front, side and rear sensors to assist you with parallel, angled and perpendicular parking. All you need to do is handle the brake, accelerator and gears - the system takes care of the steering. It can even help you pull out of parallel parking spots (grade dependant).

### VERSATILITY

## Make room for more of you.

The Kia Ceed Sportswagon not only offers more room for everyone on board - in fact its luggage capacity ranks amongst the best in the segment - it's also an expert at making space work for you. Whether it's the one-touch folding rear seats or well placed luggage compartments - this Ceed is packed with ideas that take you further.

### 40:20:40 folding rear seats

Thanks to the split folding seats, the Sportswagon adapts to your needs - great for transporting sports equipment or other long items (grade dependant).

### Remote folding

The Ceed Sportswagon makes loading quick and effortless without cumbersome folding: simply use the lever in the luggage compartment to fold down the seats remotely (grade dependant).

### Boot space

With the rear seats folded, you'll enjoy 625 litres of luggage space. There are also two underfloor storage compartments to maximise your luggage area. Plus, a storage area under the boot cover can keep smaller items away from prying eyes.

CONVENIENCE AND COMFORT

# Get ready to be impressed.

Every journey starts in style and with all the comfort you could wish for. The welcoming interior is fitted with black leather upholstery, including a slideable black leather armrest (grade dependant).

### Heated front and rear seats

Whatever the weather has in store, you're ready for it. The front and outer rear seats can be heated on cold days. Featuring three adjustable settings (two on rear seats), they warm up quickly and then level off after the desired temperature is reached. The Kia Ceed also comes with a heated steering wheel (grade dependant).

### Smart key

Beginning your ride couldn't be easier: enjoy keyless access to your car with the smart key and the engine start/stop button that lets you switch the engine on and off with a simple touch. The Remote Window Control is a handy feature if you forget to close the car windows: press and hold the lock button on the smart key to close the windows remotely (grade dependant).

### Heated steering wheel

You'll find many premium features throughout the Kia Ceed: on cold days, the heated steering wheel allows you to start your journey in complete comfort (grade dependant).

### 10-way Power Adjustable Driver's Memory Seat

The Kia Ceed features an Integrated Memory System that remembers your favourite driver seat settings, so you can get comfy instantly (grade dependant).

### Wireless Phone Charger

Forget cables, just place your smartphone with Qi technology on the convenient Wireless Phone Charger (grade dependant). Check with your Kia dealer for mobile phone compatibility.

### JBL Premium Sound System

For great sound, the Kia Ceed comes with a JBL Premium Sound System. It features eight speakers and advanced Clari-Fi™ music restoration technology to improve the quality of MP3s and provide high-definition sound (grade dependant).

INTERIOR TRIMS

Set the mood,  
refine the detail.

'2' grade Premium black interior

The '2' grade features black fabric seat upholstery and eye-catching dark metal paint dashboard accents.

'3' black cloth and faux leather interior

These grades come with black cloth and faux leather-trim seats, high-gloss black trim and satin chrome dashboard accents.

Redefine sportiness.

The Ceed GT-Line, GT-Line S and GT celebrate quality materials in equal measure. Soft-touch surfaces and carefully stitched details on the seats create a sleek, sophisticated atmosphere. Choose between the cloth and faux leather, leather and faux suede with grey or red stitching with 10-way power adjustable driver's memory seat, only for the GT-Line S.

GT-Line

This beautiful two-tone upholstery combines black cloth with light grey faux leather.

GT-Line S

The black faux suede and leather combination is adorned with contrasting grey stitching.

GT

Truly eye-catching: the black faux suede and leather upholstery features red stitching.

GENUINE ACCESSORIES

Maximise the experience.

If you want your Kia Ceed to be fully set up for all your journeys, then Kia Genuine Accessories are the answer. From long weekends away, to sporting activities or big shopping excursions, the range covers all your needs with handy features to personalise your car. It also includes many stylish solutions to emphasise the dynamic looks of your Kia Ceed.

Roof box 330

Heading off on holiday, you'll probably need more luggage space than usual. Before you start cramming things in your cabin, enjoy the convenience of this sleek and durable roof box. Easy to install and with dual side opening for extra-fast access. Easily install your roof box with roof racks on your 5dr and cross bars on your Sportswagon.

Reversible boot mat

Whether you're transporting your pet, your weekly shopping or your family's luggage - this made-to-measure mat will keep your boot looking clean, new and stylish. High-quality velour on one side and a resilient dirt-resistant surface on the other.

Textile floor mats, velour

Keep your cabin unblemished for longer. These high-quality velour floor mats will protect your All-New Ceed's interior from everyday dirt and enhance its look at the same time. Tailor-made to fit the footwells perfectly, they feature the All-New Ceed logo in the front row and are held in place with fixing points and anti-slip backing.

Tow bar, fixed

This high-quality corrosion-resistant fixed tow bar is developed to optimally transport loads according to the maximum towing and bike load capacity of your All-New Ceed.

Rear bumper trim line

A small detail, with a sophisticated touch. Introduce this refined surface finish to your rear bumper in delicate high-gloss stainless steel, for a sleek accent along your tailgate. Available also in brushed finish.

## 10 more reasons to join our Kia family

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise - 10 great owner benefits when you buy your Kia and register at MyKia.

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

Our Driveaway Insurance has you covered from the minute you leave the Dealership. We will also give you a £250 Excess Return Voucher which pays you back regardless of who you are insured with providing you call Kia Accident Aftercare before you call your insurance company. We will also provide you with a competitive quote for your annual cover.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration. If you register on MyKia, you can unlock Kia Roadside Assistance Plus, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

Order Genuine Kia accessories, where and when you need them! Our Click & Collect service offers choice and convenience, recognising your model from the registration number to ensure you get exactly what you need. Then simply collect at your nearest Dealer, where they can fit them too.

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

When you own a Kia, you become part of the family and benefit from a relationship based on trust and transparency. When you visit one of our dealers for a service, your vehicle will benefit from a complimentary Health Check, a wash and vacuum and alternative transport if needed. Welcome to the Kia family!

Available to all Kia owners, whoever your insurer and whatever the circumstances, Kia Accident Aftercare will take care of things for you. We will liaise with your insurer, provide a free courtesy car and ensure your car is repaired at a Kia Approved Bodyshop using Kia repair methods and original parts.

Kia offers you free seven-year connected services with UVO Connect. Once activated in your vehicle, UVO Connect enables a number of digital features in your car like real-time traffic data. You can also install the UVO app on your smartphone and pair it with your Kia to interact with your vehicle in new ways.

We have partnered with Pod Point and bp pulse so you can quickly and conveniently charge your electric and plug-in hybrid Kia at home.

Kia Charge makes public charging easy. Kia Charge is the only solution you need to charge your electric or plug-in hybrid Kia across multiple networks in the UK and Europe.

### Kia Care Service Plans

For complete peace-of-mind, Kia can offer you a great value fixed-price servicing package for your Ceed which is called Kia Care. Please speak to your Kia dealer for more information and pricing. Terms and conditions apply. Log onto [www.kia.com/uk](http://www.kia.com/uk) for details.

### 5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

### Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Log onto [www.kia.com/uk](http://www.kia.com/uk) for more details

Fully unlock these benefits **MyKia** when you register at

[www.kia.com/uk](http://www.kia.com/uk)

All information and illustrations are based on data available at the time of print (July 2021) and are subject to change without notice.
