

765LT

Scroll to explore 

LONGTAIL. THE NEXT LEVEL.

Aggressive and unrelenting. Utterly focused on the drive and the driver. The McLaren 765LT is the next chapter in a story that began with spectacular success. In the heat of competition. This is Longtail taken to the next level. Beginning with the hugely powerful, ultra-light, finely balanced McLaren 720S, the 765LT takes every element to the extreme. And beyond. The transformation pushes the limits of design and engineering.

A 765PS 4.0 litre twin-turbocharged V8 delivers ferocious acceleration. Particularly as the 765LT weighs just 1,339kg. Its bespoke carbon fibre body panels, pared-down design and cutting edge aerodynamics ensure that every drop of power is unleashed. And every sensation reaches the driver. As pure engagement. This mix of feral power, dynamic finesse and minimal clarity is a rare thing. Only 765 Coupes will ever be made.

STANDARD FEATURES

The technology

Longtail DNA is woven through the core of the 765LT. The superlight, rigid MonoCage II carbon fibre chassis. The 4.0 litre V8 twin-turbocharged powerhouse: the most potent LT engine yet. Optimised gear ratios with a unique final drive that deliver more aggressive gear shifts and extra acceleration. These are the elements of a legend.

Powertrain

- M840T 4.0L (3,994 cc) twin-turbocharged V8 engine 765 PS/800 Nm
- Twin electrically-actuated twin scroll turbochargers
- Eco stop/start system with deactivation switch
- Quad exit titanium LT exhaust system
- 7-speed + reverse Seamless Shift Gearbox (SSG) with optimised gear ratios
- 4 x powertrain modes (Non-Active, Comfort, Sport, Track)
- Twin multi-plate clutches
- Open differential
- Cast aluminium branded plenum - Stealth finish

Body structure

- Carbon fibre MonoCage II
- Front aluminium crash structure
- Front aluminium subframe
- Rear aluminium engine frame and crash structure
- Carbon fibre front structural floor
- Aluminium front fenders, doors, rear fenders and hood painted body colour

Wheels and tyres

- Wheel sizes: 19×9.0 J front and 20×11.0 J rear
- Tyre sizes: 245/35/R19 front and 305/30/R20 rear
- 10-Spoke Ultra-lightweight forged alloy wheel, Platinum finish
- Titanium wheel bolts
- LT Pirelli P ZERO™ Trofeo R tyres
- Carbon ceramic brake discs, 390mm with forged alloy bell
- 6-piston forged monobloc aluminium calipers front
- 4-piston forged aluminium calipers rear
- Brake calipers: Black with Silver printed McLaren logo
- Tyre pressure monitoring system (TPMS) + tyre temperature gauge

Driver Assistance

- Anti-Lock Braking System (ABS)
- Traction Control System (TCS)
- Electronic Stability Control (ESC) with Dynamic Mode
- Variable drift control
- Launch control

- Spinning wheel pull away
- McLaren brake steer
- Brake pad wear sensors - front and rear
- Brake disc wipe technology
- Brake assist technology
- Brake pre-fill technology
- Cruise control
- Electronic parking brake
- Speed Limit Function (LIM)

Suspension

- ProActive Chassis Control (PCC) II with hydraulic roll control and adaptive damping
- 4x handling modes (Non-Active, Comfort, Sport, Track)
- Lightweight main springs with additional helper springs

STANDARD FEATURES

The design

Bespoke ultra-lightweight carbon fibre body panels wrap a design that takes LT to another level. Sculpted for the track. Aggressive and stripped down. The radical active rear wing, lower stance and larger air intakes send a powerful message. The Longtail is back.

Exterior lighting

- Full LED headlights with static adaptive functionality*
- Automatic headlight levelling
- Follow me home headlights (adjustable time)
- Automatic lights (in conjunction with rain-light sensor)
- Automatic LED daytime running lights
- Automatic LED rear lights
- Single Central LED High Mounted Stop Lights (CHMSL) - multi-angle active rear wing mounted
- Dual function LED rear fog/reverse light
- Sequential LED indicators*

Exterior features

- Twin-hinged Dihedral Doors
- Soft close doors
- Polycarbonate C-pillars
- Rear polycarbonate glazing
- Privacy glazing tint*
- LT active rear wing with air brake and automatic Drag Reduction System (DRS)
- Visible air brake mechanism
- Electrically folding heated door mirrors (with dip in reverse functionality)
- Dual front wiper with separate washer jets
- Electronic external door release buttons (both sides)

Exterior styling

- Quad exit brushed titanium exhaust finisher
- Front air intakes - Dark Palladium
- Carbon fibre front splitter - painted Dark Palladium
- Carbon fibre rear bumper upper - painted body colour
- Rear deck - mesh
- Service cover - Gloss Black polycarbonate
- Carbon fibre front bumper - painted body colour
- Carbon fibre MonoCage II - visible carbon fibre
- Roof - Gloss Black
- Carbon fibre exterior door upper - painted Gloss Black
- Rear aero bridge - Dark Palladium
- Carbon fibre side skirts - painted Dark Palladium
- Carbon fibre rear diffuser - painted Dark Palladium
- Carbon fibre lower side air intakes - painted Dark Palladium
- Exterior window surrounds - Stealth
- Carbon fibre active wing- painted body colour
- Active rear wing mechanism - Zircon Silver
- 765LT badges

*Not available in all markets

STANDARD FEATURES

The cockpit

Minimal, tactile and utterly focused on driving. The cockpit has been stripped for action. There's no flooring carpet. No air conditioning or audio system. Lightweight Alcantara® is used throughout. The carbon fibre racing seats are inspired by the prodigious McLaren P1™. Nothing distracts from pure engagement. Between you and the car.

Alcantara® LT interior trim

- Carbon Black Alcantara® interior - Black stitching
- Carbon fibre primary interior components
- Sill trim - Carbon Black carpet
- 765LT facia branding
- Black Alcantara® steering wheel
- Brightwork - Titanium finish
- Seat belts - Black
- 765LT seat headrest branding
- Titanium 765LT dedication plate

MSO Defined interior

- MSO Defined Satin Finish Visual Carbon Fibre Extended Gear Shift Paddles

Interior

- Dual zone climate control
- Carbon fibre racing seats
- Manual adjust steering column (reach and rake)
- Centre tunnel Satin Finish Visual Carbon Fibre
- Front luggage compartment accessible under hood
- Front luggage retention nets
- Central bulkhead stowage net
- Illuminated storage compartments (front luggage compartment)

- Machined from solid aluminium interior switches
- Electrochromatic dimming rear view interior mirror
- Sun visors with driver and passenger vanity mirrors
- Interior courtesy light with two buttons
- Interior LED map lights x2 with touch sensitive operation
- Door stowage pocket with net

Infotainment

- MIS (McLaren Infotainment System)
- 8-inch high resolution touch screen monitor
- On-board memory and 4G LTE connectivity
- USB connectivity x2 (supporting charging and MIS connection)
- AUX in
- McLaren Track Telemetry (MTT) app only
- Voice control for infotainment

EXTERIOR COLOURS

The finish

Make a statement. Express yourself. The 765LT is available in a range of stunning colours. Mixed and finished by hand. From striking Standard colours to stunning Special and Elite finishes, here is a choice that complements the powerful presence of a Longtail to perfection. And for the ultimate exclusivity, there is also a selection of MSO Defined colours.

INTERIOR OPTIONS

Longtail to the touch

Beautiful, durable and lightweight Alcantara® contrasts with the deep sheen of carbon fibre. Everything you touch is finely engineered and alive with the feeling of LT. Add individual accents with a choice of vibrant contrast stitching, rich soft grain Carbon Black leather or extra carbon fibre trim surrounds. This may be a cockpit stripped for speed. But it's a finely crafted, personal space.

OPTIONAL FEATURES – PACKS

Next level

The final details. Pure, functional yet striking carbon fibre elements – from front splitter and side skirts to the roof panel. Or there's the low-key menace of the Stealth Pack. Plus an MSO Clubsport Pack that takes your 765LT to the limits of track-focused readiness – straight to the grid.

Exterior carbon fibre pack 2

- Front splitter
- Rear bumper lower
- Side skirts

Exterior carbon fibre pack 3

- Front air intakes
- Roof

Stealth pack

- Exhaust finishers
- Active rear wing mechanism

MSO Clubsport pack

- Super-lightweight carbon fibre racing seats (regular or touring)
- Track brake upgrade
- McLaren Track Telemetry (MTT) with lap time function and three cameras
- MSO Defined Satin Finish Visual Carbon Fibre Air Vents

MSO Clubsport pack pro

- Super-lightweight carbon fibre racing seats (regular or touring)
- Track brake upgrade
- McLaren Track Telemetry (MTT) with lap time function and three cameras
- MSO Defined Satin Finish Visual Carbon Fibre Air Vents
- MSO Defined Dark Titanium Harness Bar
- MSO Defined 6-Point Harness – Black, Red, Blue or McLaren Orange

MSO LT Black pack

- Front splitter – Gloss Black
- Rear bumper and diffuser – Gloss Black
- Front number plate plinth – Gloss Black
- Hood air intakes – Gloss Black*
- Front air intakes – Gloss Black
- Lower side air intakes – Gloss Black
- Door mirror casings – Gloss Black*
- Door winglet – Gloss Black
- Rear aero bridge – Gloss Black
- Door closure panel – Gloss Black
- Rear fender air intakes – Gloss Black*

*Also available in Gloss Finish Visual Carbon Fibre as a no-cost option

OPTIONAL FEATURES

An LT is a radically individual choice. And this is about your 765LT. Switch to winter Pirelli rubber to enjoy full-on performance whatever the conditions. Or enjoy the added peace of mind that comes with 4 front and 4 rear parking sensors plus rear view camera. And protect your car's unique carbon fibre bodywork with an LT branded car cover.

Brakes and tyres

- Track brake upgrade
- Pirelli Sottozero™ winter tyres
- Pirelli P ZERO™ tyres

Suspension

- Vehicle lift

Driver assistance technologies

- 4 front and 4 rear parking sensors plus rear view camera
- 360-degree park assist

Safety and security

- Volumetric alarm upgrade*
- Vehicle tracking system*

Accessories

- 765LT branded floor mat set
- Ashtray
- 765LT branded car cover
- Warning triangle and first aid kit*
- Fire extinguisher*
- Fitted luggage for front luggage compartment
- Lithium ion battery charger

*Not available in all markets

OPTIONAL FEATURES

Every. Last. Detail.

From the lowered nose to the signature elongated tail. Every area of your 765LT can be personalised. Inside and out. Choose the unique and dramatic double glazed engine window to show off your car's beating heart. Add air con for cool calm on the hottest laps. Or make the ultimate cockpit statement with MSO Defined interior trim options.

Exterior styling

- Front air intakes – Gloss Finish Visual Carbon Fibre
- Front splitter – Gloss Finish Visual Carbon Fibre
- Side skirts – Gloss Finish Visual Carbon Fibre
- Rear bumper lower – Gloss Finish Visual Carbon Fibre
- Diffuser – Gloss Finish Visual Carbon Fibre
- Roof – Gloss Finish Visual Carbon Fibre
- Exterior door upper – Gloss Finish Visual Carbon Fibre

Exterior features

- Front number plate plinth – Gloss Finish Visual Carbon Fibre

Interior styling

- Carbon fibre secondary interior components
- Sill trim – Satin Finish Visual Carbon Fibre

Interior Features

- Air conditioning
- Power adjust heated memory sports seats
- Super-Lightweight carbon fibre racing seats*
- Power adjust steering column (reach and rake with comfort entry/exit)

- Centre tunnel with lockable bin
- Hinged door stowage pocket
- Double glazed engine window (rear of cabin)

Infotainment

- McLaren 4-speaker audio system
- Audio media player
- AM/FM radio
- DAB radio (SiriusXM for Federal)
- Bluetooth telephony
- iPod/iPhone integration
- McLaren Track Telemetry (MTT) with lap time function and three cameras
- Bowers & Wilkins 12-speaker audio system
- Homelink*

MSO Defined exterior

- MSO Defined Gloss Finish Visual Carbon Fibre Hood
- MSO Defined Carbon Fibre Hood – body colour (Gloss Visual Carbon Fibre underside)
- MSO Defined Lightweight Front Badge
- MSO Defined Gloss Finish Visual Carbon Fibre Door Mirror Arms
- MSO Defined Gloss Finish Visual Carbon Fibre Rear Aero Bridge

- MSO Defined paint
- MSO Defined LT Gloss Finish Visual Carbon Fibre Active Rear Wing
- MSO Defined Gloss Black Roof Scoop
- MSO Defined Gloss Finish Visual Carbon Fibre Roof Scoop
- MSO Defined Carbon Fibre Body Colour Front Fenders with Gloss Visual Carbon Fibre Louvres
- MSO Defined Carbon Fibre Body Panels: Rear Fenders and Door Applique – body colour

MSO Defined interior

- MSO Defined Satin Finish Visual Carbon Fibre Air Vents
- MSO Defined Satin Finish Visual Carbon Fibre Steering Wheel
- MSO Defined LT Satin Finish Visual Carbon Fibre Extended Sill Trim with LT branding
- Ignition key - MSO Defined Black or Visual Carbon Fibre
- MSO Defined Carbon Black Alcantara® Steering Wheel with McLaren Orange 12 O'clock Stripe
- MSO Defined Carbon Black Alcantara® Steering Wheel with Burnt Orange 12 O'clock Stripe
- MSO Defined Carbon Black Alcantara® Steering Wheel with Blue 12 O'clock Stripe

- MSO Defined Carbon Black Alcantara® Steering Wheel with Dove Grey 12 O'clock Stripe
- MSO Defined Dark Titanium Harness Bar with MSO branding
- MSO Defined 6-Point Harness – Black, Red, Blue or McLaren Orange
- MSO Defined Push-to-drink System
- MSO Defined Seat Belts – Red, Yellow or McLaren Orange

WARRANTY AND SERVICING

Warranty

Confidence guaranteed.

We stand firm by the quality of our engineering. That's why your 765LT is covered by a comprehensive three-year McLaren Vehicle Warranty as standard. That includes the car, and its finish... no matter how far you drive. It even includes roadside assistance in selected regions. Or go for ultimate peace of mind and increase your coverage by up to 12 years with the McLaren Extended Warranty.

Servicing

Perfected. Protected.

Your 765LT is a finely tuned machine. At a McLaren Retailer, it'll get the meticulous attention it deserves. Annual services (or at 15,000km/9,300 mile intervals) are delivered by McLaren-trained technicians, to keep your car in peak condition. So that every moment in your Longtail remains as adrenaline-fuelled as the first.

Terms and conditions
