

2011 Accent

 **HYUNDAI™**

2011 Accent

A LOT OF CAR. A LITTLE PACKAGE.

At Hyundai, we are constantly striving to make smart decisions when it comes to our vehicles so you can make smart decisions when it comes to your purchase. A smart decision means weighing the pros and cons, evaluating the costs against the benefits, and making a choice for the right reasons for you. It means having no regrets.

Our investment in eco-friendly technologies, quality craftsmanship, extensive research and design, together with our state-of-the-art facilities and dedicated human

resources, ensures our vehicles are built with integrity from the first to the final detail. And, together, they deliver on Hyundai's promise to Canadians – to create a lineup of smart vehicles.

The 2011 Accent, Hyundai's fun-to-drive small car, brings you the best of small in a stylish package.

Reliable, affordable and fuel-efficient, Accent lets you take the city by storm with enough room for your friends to tag along. We all want more for less. With the Accent, you get it. It fits into more parking spots and goes further on less gas. Discover a vehicle that gives you more bang for your buck. Get into the 2011 Accent.

Attractive Aluminium Alloys. The 4-door GLS comes standard with 15-inch aluminium alloy wheels, while the 3-door L and GL with Sport Package are equipped with 16-inch alloys that not only add an element of style, but improve performance.

Hatchback vs. Sedan? 3 Doors vs. 4? No matter which style best fits your lifestyle, isn't it nice to know you have a choice? Choose the Accent that satisfies your needs. The easy loading capabilities of the sporty hatchback or the roomy design of the passenger-friendly sedan lets you choose what's right for you.

Young at heart. Sleek or sporty – sedan or hatchback – you choose. Whichever you choose, the Accent's fresh, youthful appearance is evident from its rounded front end and chrome-accented front grille (4-door only), to its available fog lights and stylish Euro-inspired roof-mounted antenna design. Standard body colour exterior door handles, bumpers and mirrors give the Accent sleek, uninterrupted lines. And, while it's spacious on the inside, its small exterior is just the right size for manoeuvring around the city.

interior

Power Sunroof. The Accent's available power tilt-and-slide sunroof brings in fresh air on sunny days and summer nights (3-door with Sport Package, 4-door GL SE and GLS only).

Auxiliary Audio Input Jack. This convenient input jack lets you plug in your favourite MP3 player so you can take thousands of tunes on the road without lugging along a bunch of CDs.

User-friendly design. The result of intelligent engineering and design, the Accent offers a space-maximizing interior with a wealth of features, including ergonomically-designed gauges and controls. The Accent's overall roominess extends to the backseat as well. Its wide track and long wheelbase has contributed to an enlarged cabin and sure-footedness on the road. Even the little things, like a rubberized, anti-slip pad that holds your PDA or cell phone to keep it from taking flight as you take that next sharp corner, prove that the Accent is designed for your needs. And you'll get the most from your music with the Accent's 4-speaker AM/FM/CD/MP3/Aux. plug audio system (L, GL) or available 6-speaker system for enhanced sound (GL with Sport Package and GLS only).

Fabric may not be exactly as shown

performance

An Efficient Choice. The Accent's optional 4-speed automatic delivers excellent fuel economy for highway drivers. Plus, cruise control is now included with all automatic transmission models (excluding L models).

Manual or Automatic? The choice is yours. The Accent's 5-speed manual transmission gives you optimal control, while the optional 4-speed automatic offers reduced driver involvement.

The good times roll, but on less gas. Producing a superior product means making the environment a priority. We've done that by giving you more 'go' using less gas. This way, you get spirited performance without having to spend your savings at the pump. The Accent's 110 hp, 1.6L, I4 engine with DOHC & CVT provides impressive levels of fuel efficiency, acceleration and torque, meeting your driving needs without compromising real-world responsibilities. The Accent is equipped with a responsive, fuel-efficient, 5-speed manual transmission or optional 4-speed automatic transmission (with standard cruise control, excluding L models) to deliver invigorating performance with superior fuel economy.

safety

Fabric may not be exactly as shown

Safe Surroundings. Dual Airbags¹ are standard in both the 3- and 4-door Accent, while the GLS is equipped with additional two front seat-mounted side-impact airbags and two roof-mounted side-curtain airbags for added peace of mind.

Super-Strong Steel Protection. The Accent's high-tensile steel safety cage construction combines steel, side-impact door beams and built-in front and rear crumple zones, underlining the fact that this subcompact does not compromise your safety.

Prepared. Even if you're not. From its steel-constructed safety cage to child-friendly features, including rear safety door locks (4-door only) and Hyundai's LATCH child-seat system, the Accent puts safety first. With power-assisted front disc and rear drum breaking and power-assisted rack-and-pinion steering, the Accent achieves impressive control. ABS Braking with Electronic Brake Force Distribution is standard on the Accent 4-door GLS while a 3-point seatbelt with front seat pretensioners, force limiters and adjustable rear-seat head restraints (3-door only) provide protection in unforeseen circumstances.

Get the compact car without the compact interior.
An impressive 2,610 litres of interior space
makes it among the roomiest in its class.

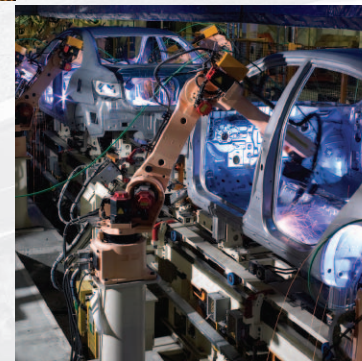

SMART, AND WHAT IT MEANS TO US.

Every automaker – like every person – has a philosophy that guides their thinking and decisions. Ours is straightforward and pragmatic: to be smart. At Hyundai, we try to make smart moves, every day, so we're not only your next vehicle choice, but also your choice again and again down the road.

Smart is building vehicles that offer exceptional value – not just a great price. We build vehicles that people are happy to drive, with the comfort and safety features they want, and meaningful warranties to back them up.

Smart is the drive to zero defects. In 1999, we embarked on our quality mission when we launched the Zero Defects program. This initiative involves everyone and every aspect of the company's culture in a sincere commitment to quality manufacturing across the board. While we continue to be honoured with awards for excellence, our priority remains our unwavering commitment to our drivers.

Smart is offering sensible prices on vehicles that people are happy to drive. And we want you to be as happy with your vehicle in five or ten years as you are on day one. This means building a quality product and equipping it with the kinds of features that make driving a joy.

It also means offering a warranty that's meaningful, like a 5-year/100,000 km Comprehensive Limited Warranty[†], 5-year/100,000 km Powertrain Warranty and 3-year/Unlimited km Roadside Assistance Program^{††}.

Ultimately, smart is taking a leadership role, with the courage to break new ground and chart the course that an entire industry will take. It requires the confidence to guide others, and the conviction to follow through on commitments. Hyundai's commitment to these principles has propelled us to being the world's 4th largest auto manufacturer, servicing 160 countries and selling 30 million vehicles.

As part of our leadership role, we've launched Blue Drive, a collection of environmental initiatives that will help the fight to reduce greenhouse gas emissions. It's one of many steps toward our goal to achieve the most fuel-efficient lineup on the planet by 2015, and just another way we're working to be your first choice in vehicles today, and again down the road.

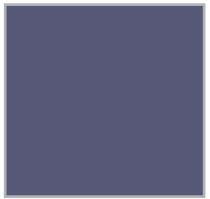

We believe that if we continue to follow the principles behind what is smart, we'll continue to show Canadians that Hyundai is the right choice today and their best choice for the future.

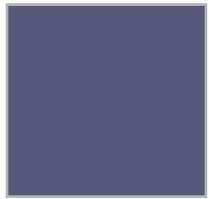

Our vivid palette of exterior colours is the perfect way to complete your Accent.
Explore the options and choose the one that best reflects your personal style.

accessories

2011 Accent

Hyundai is making its name on delivering unprecedented quality and value, offering Canadians a wide variety of lifestyle-friendly vehicles loaded with outstanding packages of standard features and premium extras. Individual needs call for individual solutions. That's why Hyundai goes out of its way to offer you a line of accessories designed to suit specific demands. With Hyundai's line of authorized parts and accessories, you are able to customize and adapt your vehicle to your lifestyle. From a custom-fit cargo net to stylish side visors, personalize your Accent your way.

Air Conditioning. Stay cool all summer long with environmentally-friendly air conditioning.

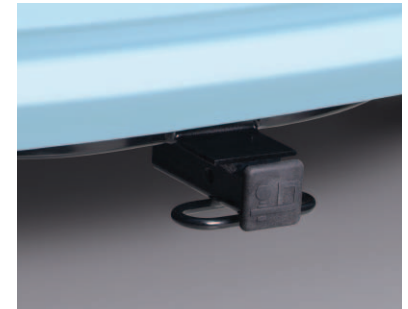

Cargo Tray. Add years to the interior of your Hyundai by protecting it from spills and messy loads with a durable, custom-fit cargo tray.

Rubber Floor Mats. Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats.

Remote Starter. Leaving the house on winter mornings doesn't have to be an unpleasant experience. Equip your Hyundai with a remote starter and get on the road in comfort. Complete with factory style remotes, this feature is fully integrated with your vehicle alarm system. Note: door lock/unlock feature not applicable on GL model.

Accessory Frame*. An accessory frame makes it quick and easy to attach hitch-mounted cargo equipment, such as bike and ski racks.

Block Heater. Engineered for your Hyundai, a block heater will help ensure fast starts and reduce engine wear in extreme weather.

Hitch Mount Bike Carrier (2 bikes). Don't let extra cargo put limits on your adventurous nature. This lightweight bike carrier features adjustable cradles that slide to fit all bike sizes. It transports bikes by the wheels and not the frame, allowing you to carry two different frame styles and sizes at one time.

Mud Guards. Custom-fit mud guards keep the dirt and debris of everyday driving where it belongs.

Plastic Hood Protector. Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

Side Visors. Sleek and sporty, these side visors let you enjoy fresh air even when it's raining.

*Frame not intended for towing.

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible.

[^] Fuel economy figures are based on manufacturer's testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories.

[†] Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions.

^{††} Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away. 24 hours a day.

¹ The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times.

Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child-seat in the front seat of a Hyundai vehicle.

** CAN/ULC S338-98 compliant immobilizer may reduce insurance costs in some instances.

^{†††} The Hyundai names, logo, product names, feature names, images and slogans are trade marks owned by Hyundai Auto Canada Corp.

SMART IS IN.

At Hyundai Auto Canada, we believe our customers' needs come first. That's why we've invested billions of dollars worldwide in research, design, safety, testing and manufacturing. And with numerous third-party awards for quality, reliability and value, we can't help but be proud. But in the end, it's still about you, our customer. Simply put, we're committed to over-delivering on all your expectations so we can bring you the vehicle you need, as well as the vehicle you want.
