We have designed the Coupé to catch the eye. However its final appearance is down to you. Solid and metallic options are available.

A metallic finish is achieved by adding aluminium flakes to the paint and then applying a coat of clear lacquer.

Hyundai Coupé: Put the sparkle back into your life.

Outside

Whichever model of Coupé you opt for, 1.6 S, 2.0 SE or 2.7 V6, you will be totally indulged.

Alloy wheels, power steering, metal grain dashboard, electric windows and door mirrors, leather covered gear knob and steering wheel, plus distinctive shark gill detailing add contemporary styling. Stereo RDS radio/CD player, air conditioning and driver's seat height and lumbar adjustment add to your comfort. Front and side airbags, advanced ABS braking with Electronic Brake force Distribution (EBD) and Traction Control System (V6 only) add safety for you and your passengers. All are fitted as standard equipment on the Hyundai Coupé.

Hyundai have also developed a range of complementary accessories to enhance your driving experience. Please consult your Hyundai dealer for further information.
