XT6

Elegance that turns heads,
Power that stirs souls,
And design that makes you stop in your tracks.
Improbably Spacious.
Impressively Stylish.
Effortlessly Capable.
The first-ever XT6.

2020 XT6

EXPERIENCE THE UNBELIEVABLE

Every Cadillac is designed to stand out. And the XT6 is no exception. This luxurious 3-row Crossover embodies the conviction that comes with its name. Its bold and aggressive lines not only exude confidence on the road, but are carefully designed to optimize aerodynamic performance and overall efficiency. The first-ever Cadillac XT6 is the vehicle you didn't know you were waiting for.

ARE YOU CREW- READY?

Rally your troops and set out on your next journey in the all-new XT6. With 3 rows of comfortable seating, there's enough room for your family, friends and then some more. Available in a captain's chair configuration, this first of its kind Crossover flaunts a stylish, yet spacious interior.

What makes the XT6 special is its attention to the finest details. From exotic wood and carbon fiber to its leather appointments and metallic accents; the premium materials used is proof that the XT6 belongs to a class of its own.

Take comfort in your choice of color and choose from Jet Black, Cirrus Leather and Maple Sugar interiors, complimented by wooden or carbon fiber accents.

MAKES DRIVING AN ABSOLUTE PLEASURE

If compromising has never been an option, settling has never been your style and the ordinary has never impressed; the XT6 is built for you. This undeniably stylish Crossover is the perfect blend of high performance and impeccable design. Seamlessly flowing exterior lines accentuated by the slick grille, vertical headlamp accents and chrome highlights are some of the features that make the XT6 command respect wherever it goes.

Choose between the Sport or Premium Luxury Trim and have your XT6 match your personality to the tee. Your XT6 grille is available in a stylish high-gloss black and Galvano-finish and can be customized with an array of exclusive wheels and appointments, all in different finishes to suit your style.

UNLEASH POWER WHEN YOU NEED IT

Hidden away beneath all the beauty of the XT6 lies a beast. This luxurious Crossover is built with a powerfully advanced V6 engine, with Variable Valve Timing and Active Fuel¹ management for a truly exhilarating experience. Its 9-speed automatic transmission is optimized for efficiency and torque delivery, so you stay in control of the wheel, always.

Make your drive more engaging and spirited with the refined suspension in the Premium Luxury trim. Or shift into high gear with the Sport Control AWD that provides a unique calibration with an active suspension and faster steering rack. And if you want it all, enjoy the multiple drive modes in the XT6 that respond to changing road conditions, support different driving dynamics that adapt to you. All with just the press of a button.

SURROUNDED BY INNOVATIVE SAFETY FEATURES

DRIVEN BY SAFETY

Safety first. Second. Third. Fourth. And fifth. The XT6 is adeptly built with safety features like Night Vision, Forward Collision Alert, Lane Change Alert with Slide Blind Zone Alert, Rear Pedestrian Alert and more. To keep you safe on every road, the XT6 is built with Forward Automatic Braking, Safety Alert Seat, Front & Rear Park Assist and other such features that make driving an absolute pleasure.

FRONT PEDESTRIAN BRAKING

The Front Pedestrian Braking system alerts you via haptic seat feedback and automatically applies the brakes or enhances driver braking to reduce collision severity or even avoid detected imminent pedestrian collisions.

NIGHT VISION

With the available Night Vision, the XT6 infrared sensors locate and notify you of potential hazards ahead, so you can drive confidently in the dark.

LANE KEEP ASSIST.

Lane Keep Assist with Lane Departure Warning provides gentle steering wheel nudges to help avoid unintentional lane drifting.

LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT

The Lane Change Alert feature provides side-mirror alerts when a moving vehicle is detected or rapidly approaching your side blind zone.

FORWARD COLLISION ALERT

The Forward Collision Alert notifies you via haptic seat feedback if it detects a front-end collision is imminent. It also alerts you if you are tailgating too closely.

REAR CROSS TRAFFIC ALERT

The Rear Cross Traffic Alert notifies you via haptic seat feedback to detected left- or right-cross traffic behind you when in Reverse mode.

Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

THE WORLD AT YOUR WHEEL

What would you consider premium? Connectivity, comfort, clean design or futuristic technological features? How about all of it.

The XT6 is designed so meticulously that everything you need is well within reach. Be it Wireless Charging¹, the Rotary controller with Cadillac-first jog function or the advanced Navigation System and Rear Mirror camera; this drive has it all.

But why stop there? The remarkably well-crafted interior perfectly blends innovative technology, comfort and convenience.

The Cadillac User-Experience in the XT6 flaunts a Bose Premium 8-Speaker System that is compatible with Apple CarPlay™² and Android Auto™³. With access to phone, music, wireless charging and other additional features within comfortable reach; your world is just a fingertip away.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design, features, materials or workmanship of any alterations by such employers.

ENGINES

Cadillac products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes and models.

ASSEMBLY

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY

Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner’s Manual and the child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD DRIVING INFORMATION

Please go to cadillac.com and carefully review the vehicle Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

IMPORTANT WORDS ABOUT THIS CATALOG

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Cadillac dealer for complete details. Cadillac reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Mid-Lux Car segment and latest available competitive information. Excludes other GM vehicles.
