

GMC HUMMER EV

PICKUP & SUV

GMC

ZERO OPERATING EMISSIONS ZERO LIMITS ZERO EQUALS

Going beyond the expected. Dominating the uncharted. Shattering the impossible.

The revolutionary supertrucks are engineered to tackle nearly any terrain, empowering you to pursue adventures unimaginable—until now.

Experience the world's first all-electric, zero operating emissions, zero limits GMC HUMMER.

REVOLUTIONARY POWERS

Everything about the HUMMER EV Pickup and SUV is revolutionary, including available features such as CrabWalk,^{TM1} Watts to Freedom,² Extract Mode¹ and many more.

OFF-ROAD DOMINANCE

TURN HEADS WHILE TURNING ALL FOUR WHEELS

Available **4-Wheel Steer** helps reduce the turning circle and enables nimble maneuverability in close quarters, whether rock crawling or pulling into a parking spot. At higher speeds, it helps increase agility and stability.

SOMETIMES THE ONLY WAY FORWARD IS **DIAGONAL**

Available **4-Wheel Steer** also provides the maneuvering flexibility of **CrabWalk¹**—a revolutionary available setting that allows the rear wheels to turn in the same direction as the front, up to 10 degrees in either direction—to drive diagonally at low speeds.

OBSTACLES SUDDENLY SEEM OBSOLETE

The available **Air Ride Adaptive Suspension** automatically adjusts the ride height for various conditions. The adaptive ride control responds to on- and off-road inputs by adjusting damping levels to enhance ride and handling dynamics.

- **Entry/Exit:** Improves Vehicle Access
- **Aero Mode:** Reduces Drag, Extends Range
- **Terrain/Increased Mode:** Increases Ground Clearance
- **Extract Mode:**¹ This First-of-Its-Kind Mode Raises the Supertrucks Nearly 6" Above Normal Height for Improved Ground Clearance

RISE THE CHALLENGE

In a tough spot and need extra height? Initiate the available first-of-its-kind **Extract Mode**,¹ and the supertrucks will activate their available **Adaptive Air Ride Suspension** to rise nearly 6" above normal height to surmount obstacles—like traversing boulders or standing water.²

THE ROAD NEVER TRAVELED

The supertrucks earn their authentic off-road cred with components specifically engineered for dominating uncharted terrain.

- Generous Approach, Departure and Breakover Angles
- Extreme Off-Road Package Is Standard on Edition 1 Pickup, Available on EV^{3X} Pickup and SUV and Includes:
 - Front E-Lockers and Rear Virtual Lockers on EV^{3X} and Edition 1
 - Heavy-Duty Ball-Spline Half Shafts
 - 18" Wheels With 35" Mud-Terrain Tires
 - Underbody Skid Plates, Rock Sliders, UltraVision
 - Underbody Cameras¹ and More

A TRUE VISIONARY

Available UltraVision¹ provides various camera views to help maneuver in almost any situation. Add the available Extreme Off-Road Package and get:

- Up to **18** available camera views for HUMMER EV Pickup
- Up to **17** available camera views for HUMMER EV SUV

ENLIGHTENING VIEWS INCLUDE:

- Surround View
- Transparent Trailer View
- Rear Camera Mirror
- Underbody Split Forward- and Rear-Facing

SIGHTS UNSEEN, UNTIL NOW

The underbody cameras in available **UltraVision¹** are forward and rearward, providing real-time views to help navigate difficult terrain. Cameras are waterproof with replaceable lens protectors and with the press of a button can be cleaned with wiper fluid to help you see clearly.

Rear Side View

Surround View

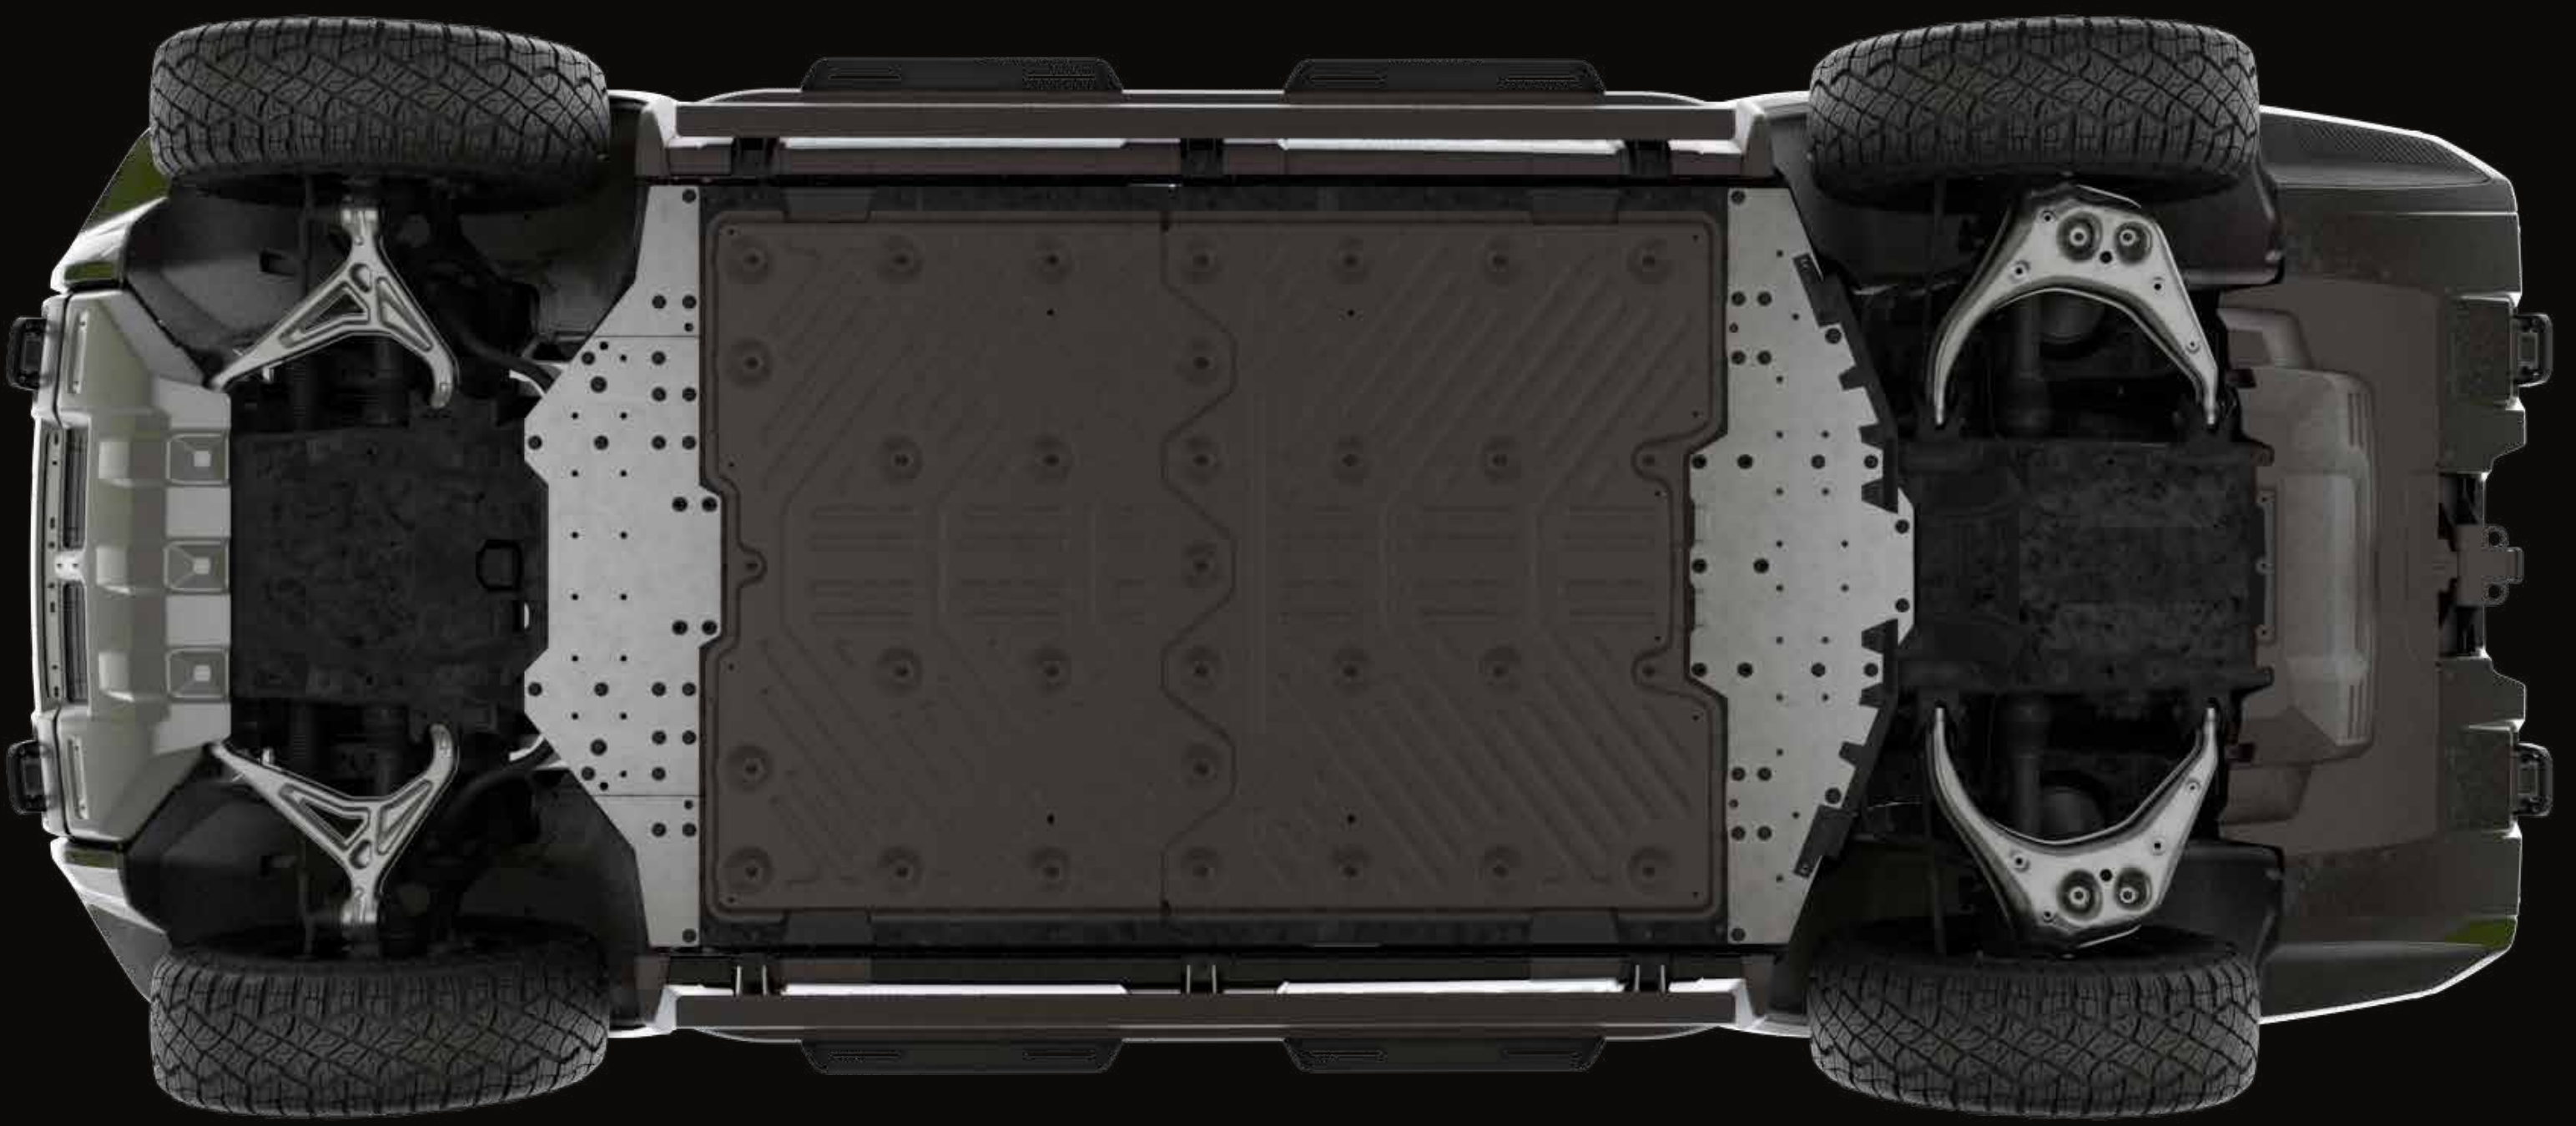

Split Forward/Rearward Underbody

Forward Underbody

PROTECTION FOR WHEN THE GOING GETS TOUGH

Available **full underbody armor** uses sturdy steel plates and shields to help protect the drive unit and battery pack in extreme off-roading environments. It's included in the optional Extreme Off-Road Package.

WHERE THE RUBBER MEETS **THE ROUGH**

Towering ground clearance comes from specially engineered **35" Overall Diameter Goodyear® Wrangler Territory MT tires** on 18" wheels (included in the Extreme Off-Road Package) for optimal on- and off-road performance.

Demand more? HUMMER EV Pickup and SUV are engineered to fit **tires up to 37" in overall diameter¹** without modifications. You can also calibrate the speedometer to account for the larger tire size.

WHAT ZERO LIMITS LOOKS LIKE

THE SKY ISN'T THE LIMIT; IT'S THE STARTING POINT

The **Infinity Roof's** modular **Transparent Sky Panels** are tinted to deflect the sun and help protect you from the elements while providing breathtaking panoramic views. Tinted Transparent Sky Panels are standard on Edition 1 Pickup and SUV and available on all other trims.

BRING THE WORLD IN

The **Infinity Roof** with modular **Sky Panels** on both HUMMER EV Pickup and SUV can be removed along with the front **I-Bar** to bring in your world. Lower the **Power Rear Drop Glass** for a fully immersive experience.

OPEN WIDER

The **Power Rear Drop Glass** on HUMMER EV Pickup and SUV responds with the press of a button, opening the cabin to fresh air and greater possibilities.

STORAGE FRONT AND CENTER

Open the power-operated hood and stow the modular Sky Panels or your gear in the eTrunk™ with up to 320 Liters¹ of space. It includes a 12-volt power outlet, lighting, and four cargo D-rings to secure the panels or other cargo.

Preproduction model shown with dealer-installed accessories. Actual production models may vary.

NOT FAST. SUPERFAST.

Engage available **Watts to Freedom**¹ to unleash the supertrucks' astounding, size-defying acceleration:

- 0-100 Kph in approximately 3.0 seconds² available on HUMMER EV Pickup
- 0-100 Kph in approximately 3.5 seconds² available on HUMMER EV SUV

3 ... 2 ... 1 ... 100

In addition to thrilling propulsion, available **Watts to Freedom**¹ surrounds you in an immersive multisensory experience.

- During Watts to Freedom, the Supertrucks Lower for Reduced Wind Resistance and Enhanced Center of Gravity
- Watts to Freedom Also Calibrates the Vehicle for Maximum Power, Along With Optimum Suspension, Steering, and eAWD Settings
- In Addition, It Also Provides an Enhanced Sensory Experience With Sounds, Seat Vibrations and Visual Graphics

SCREEN ICONS PROMPT YOU EVERY STEP OF THE WAY LEADING TO THE MOMENT OF LAUNCH

INGENIOUS TECHNOLOGIES

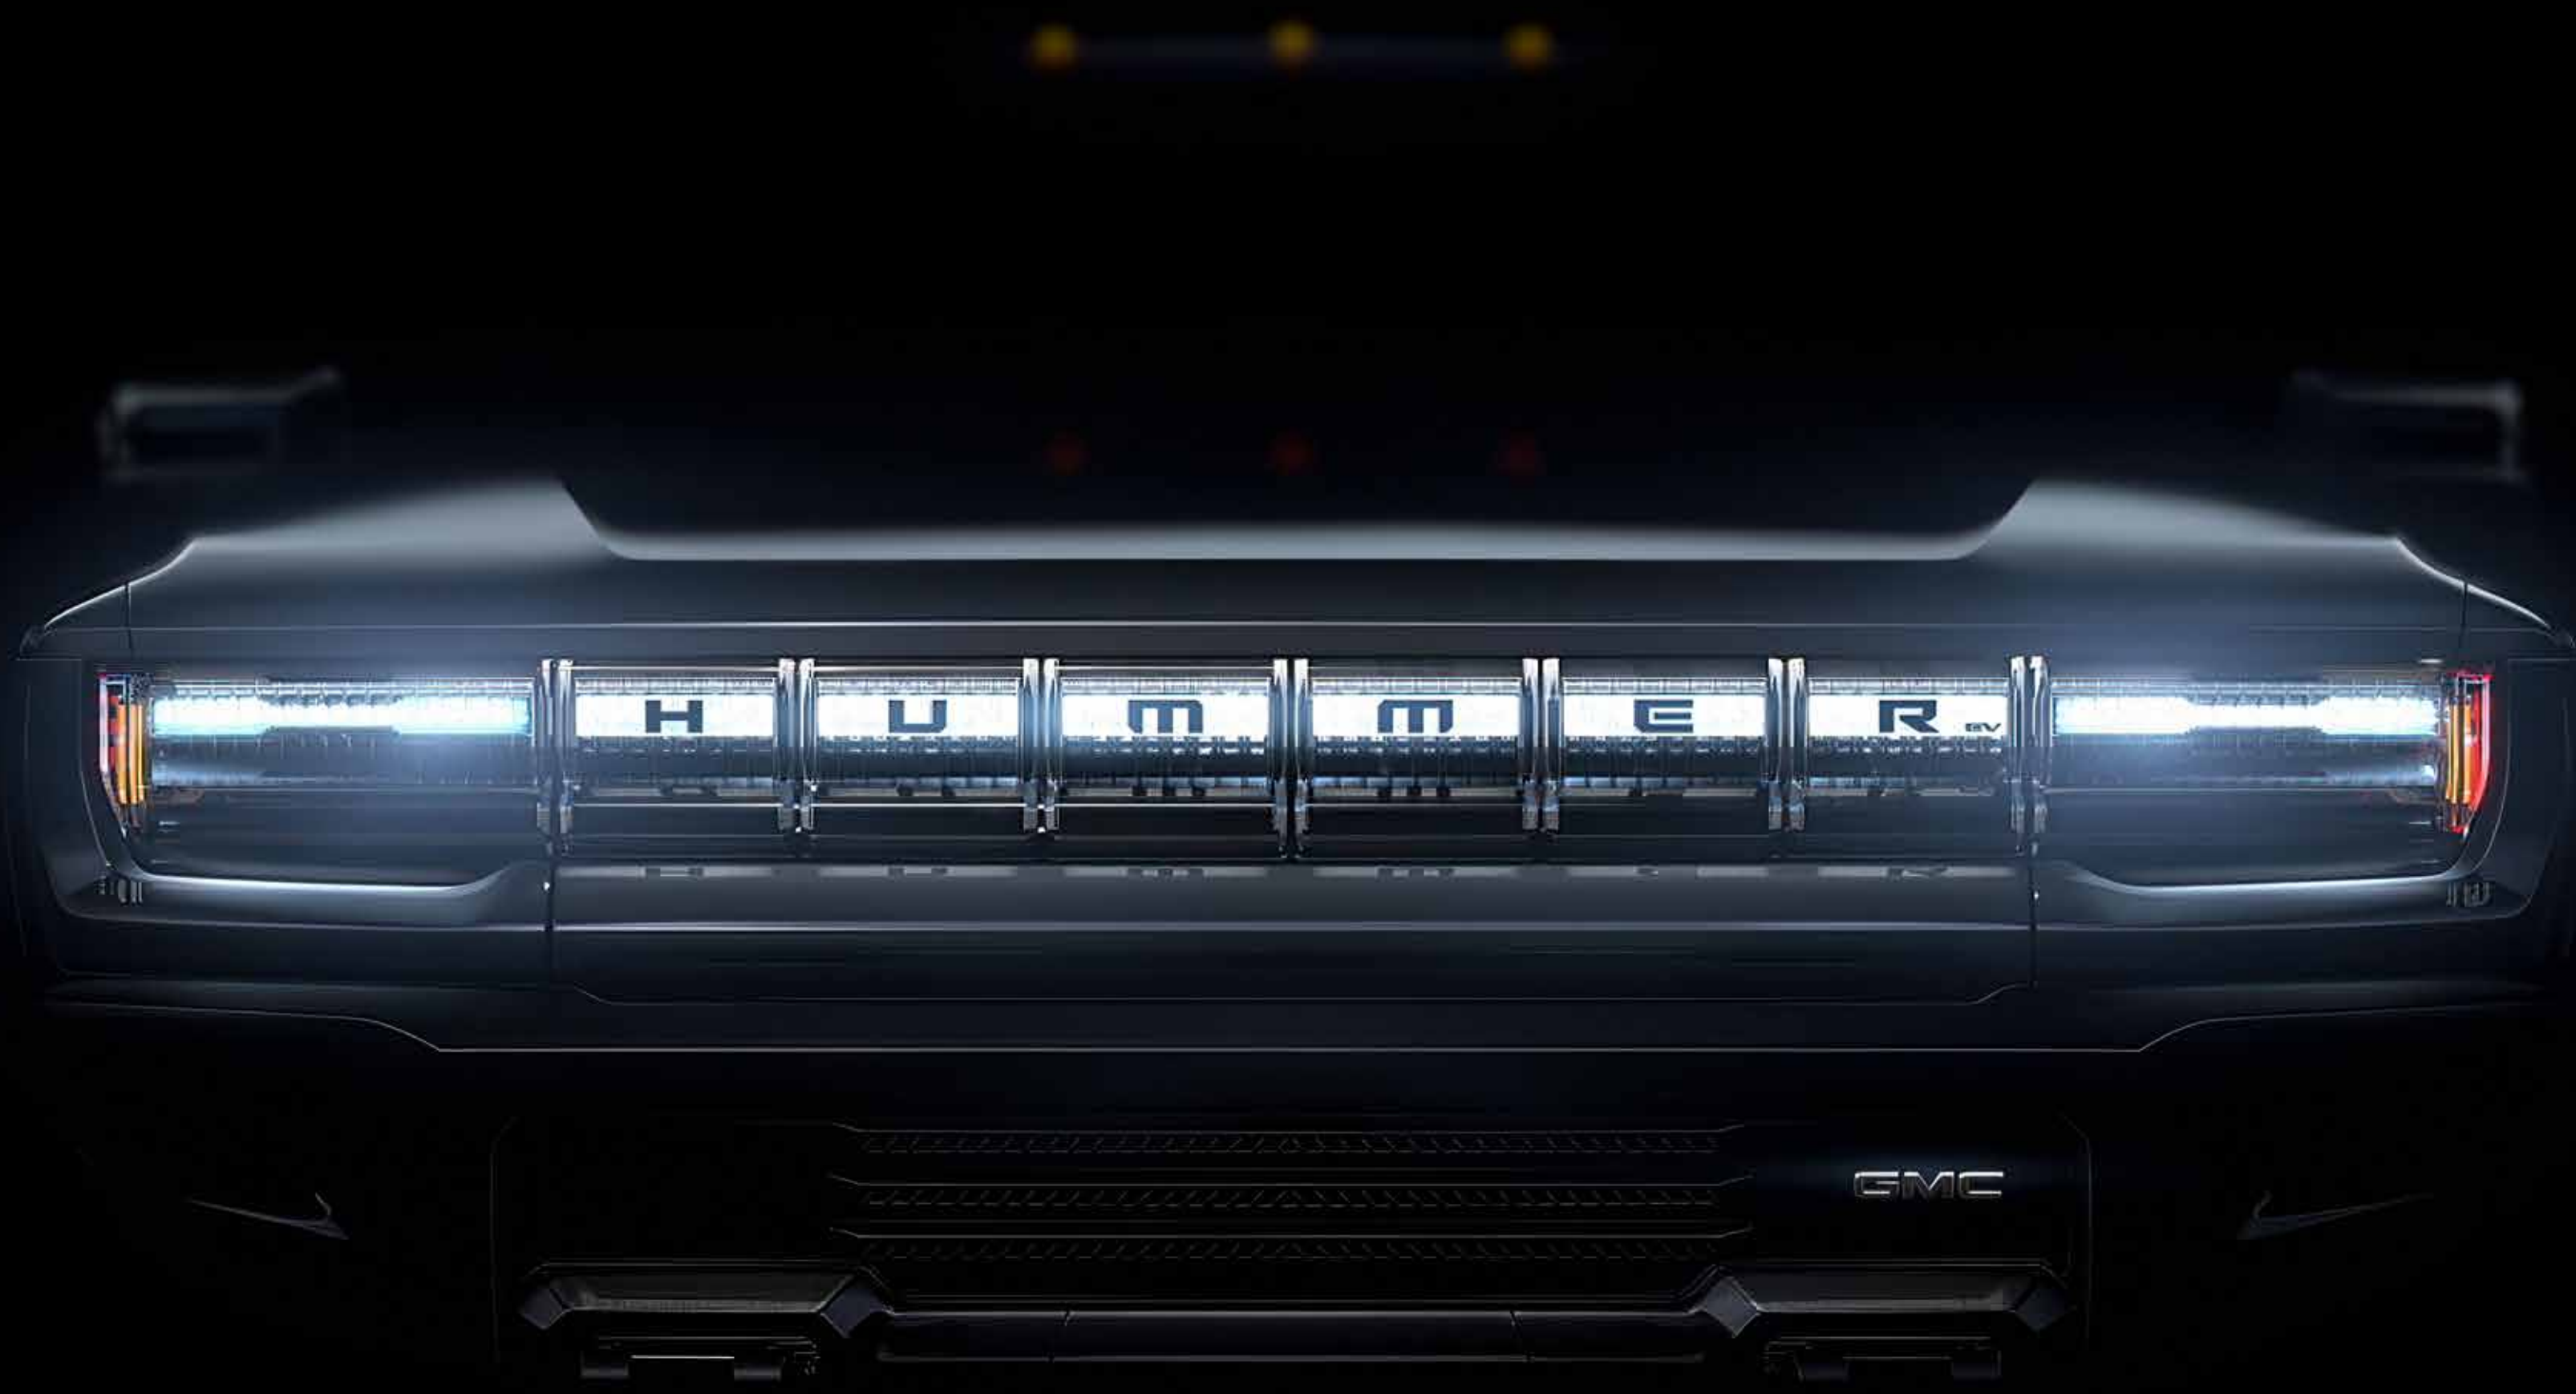

THE DRIVING EXPERIENCE REVOLUTIONIZED

Using software built with Epic Games' state-of-the-art gaming technology—Unreal Engine—even the way information is presented in the supertrucks is revolutionary. The resulting driver interface engages your senses with theatrical graphics, animations and instantaneous visualizations to provide useful vehicle information at a glance—helpful when all you can spare is a glance.

AN ELECTRIFYING ADVANCE

EFFICIENCY MAXIMIZED

The supertrucks use regenerative braking to convert the energy created from braking into electricity to recharge the battery energy and help maximize range.

- **One-Pedal Driving¹** Gives You the Confidence of Two-Pedal Driving, With the Convenience of Only Using One Pedal
- **Regen On Demand^{®2}** Allows Drivers to Recapture Energy and Extend the Supertrucks' Range Simply by Holding the Steering Wheel's Regen On Demand Paddle When Deceleration Is Needed

THE FUTURE TAKES SHAPE

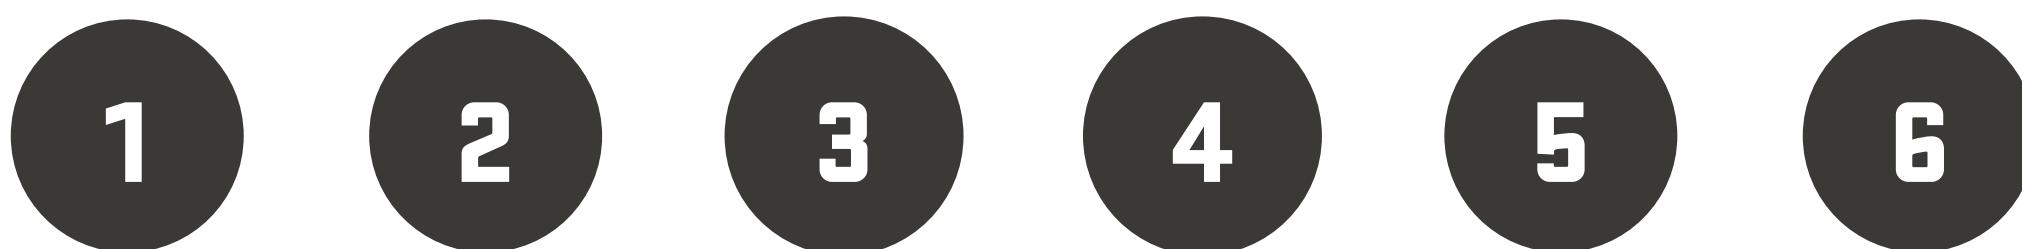

DYNAMIC DUO

The signature lighting animation on the HUMMER EV Pickup and SUV welcomes your approach. Sculpted lines lead you rearward, where H-illuminated taillamps remind followers that the revolution just passed them by.

MULTIPRO™ TAILGATE

POWER SWING GATE

The **Power Swing Gate** opens and closes using the key fob or a rear exterior button for easy access on or off the trails.

The **Power Rear Drop Glass** lowers to further enhance the open-air experience.

THE GREAT INDOORS

BRING THE OASIS WITH YOU

Like everything in the HUMMER EV Pickup and SUV, the cabins are designed to be revolutionary. So, no matter how rugged the great outdoors gets, inside the super trucks, you're clearly in command.

LUNAR HORIZON INTERIOR

Intergalactic travel and otherworldly landscapes inspire the **Lunar Horizon**-themed interior in **Jet Black** and **Light Grey**, standard on HUMMER EV Edition 1 Pickup and available on HUMMER EV^{3X} Pickup and SUV.

The interior comes with **Tech Bronze** accents, durable all-weather flooring and more.

LUNAR HORIZON INTERIOR

Premium leather-alternative seating surfaces Lunar Horizon (Jet Black/Light Grey).

LUNAR SHADOW INTERIOR

In **Jet Black** and **Taupe**, the **Lunar Shadow** interior casts a dark appearance, complemented by **Tech Bronze** accents. Durable all-weather flooring adds visual and practical appeal. This interior is standard on Edition 1 SUV and available on HUMMER EV^{3X} Pickup and SUV.

DISCOVER THE BENEFITS

By stepping into the world of OnStar, you can enjoy more of what you love when taking on the world from the comfort of your GMC Hummer EV. It provides you with comprehensive convenience and safety measures*, whether you're on the road or off it.

18" BEADLOCK- CAPABLE WHEELS

Dealer-installed 2023 model year 18" **Beadlock Accessory Wheels**¹ are designed to prevent tires from de-beading when placed under tremendous torque loads and lower tire pressures during off-roading or rock-crawling.

These 18" x 9" single-beadlock wheels offer an aggressive, yet refined, appearance that speaks to the off-road capabilities of HUMMER EV Pickup and SUV. These wheels are compatible with all model years equipped with the Extreme Off-Road Package.

US models shown. Available accessories shown on Sierra AT4X. Due to global Semi-Conductor supply shortages and software issues, GM vehicles may not have some standard features and options. Please check with your local GMC dealer to confirm the vehicle's specifications prior to purchase. Vehicles not equipped with Automatic Stop/Start will be less fuel efficient.

IMPORTANT WORDS AND LEGAL DISCLOSURES

NEW VEHICLE LIMITED WARRANTY¹

GMC will warrant each 2022 HUMMER EV with: a 3-year/57,936-km² Bumper-to-Bumper Limited Warranty, 6 years/160,934 km² of Rust-Through Protection, 8 years/ 160,934 km² of Roadside Assistance³ and 8 years/160,934 km² of Electric Vehicle Warranty Coverage and Courtesy Transportation.

ONSTAR AND GMC CONNECTED SERVICES

Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal.

GMC CERTIFIED SERVICE

To help your HUMMER EV live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in the HUMMER EV supertrucks, GM-trained technicians have the expertise to help care for them.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD DRIVING INFORMATION Please go to gmc.com and carefully review the vehicle Owner's Manual for important safety information about trailering or off-road driving in your vehicle.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of publication, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large Pickup segment and latest available competitive information available at time of publication. Excludes other GM vehicles.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.
