ROADSIDE ASSISTANCE PROGRAM As part of our commitment to your total satisfaction, 2009 Mazda Tribute owners are automatically enrolled in our Roadside Assistance Program. Roadside Assistance protects your Mazda Tribute for the duration of the 3-year basic limited warranty. Should you require assistance during this period, our service will help to get your vehicle back on the road and minimize any inconvenience. For complete details on this program, see your Mazda Dealer.

MAZDA MOBILITY ASSISTANCE PROGRAM Mazda Canada believes that vehicle access is vital for everyone. Under this program, physically challenged customers who purchase or lease a new, unused Mazda vehicle may be eligible to receive assistance from Mazda Canada Inc. to aid with the cost of acquiring and installing adaptive driving aids on their vehicle. For complete details on this program, see your Mazda Dealer.

MAZDA TEST-DRIVE EXPERIENCE Exhibitantion begins with the Mazda Test-Drive Experience - a uniquely designed road trip engineered to take you miles beyond the ordinary test-drive. Down local streets, on-ramps, highways and off-ramps. Through straightaways, S-curves and corners. It's all about putting a Mazda to the test under real-world conditions. It's about discovering the superb acceleration, braking steering, handling and ride quality that every Mazda offers. And rediscovering that fun, connected-to-the-road feeling we call "zoom-zoom"

READY TO ROLL Our pre-delivery commitment means every new Mazda is checked out, gassed up and fitted with floor mats.

For peace-of-mind motoring, we've created the Mazda Added Protection Plan (M.A.P.), M.A.P. complements your Mazda Limited Warranty for up to 7 years or 160 000 km, and protects you from unexpected repair expenses and the rising cost of repairs. All M.A.P. plans include Personal Budget and Repair Inflation Protection. In addition, all M.A.P. plans include Premium Roadside Assistance, which extends the roadside assistance coverage offered during the new-vehicle limited-warranty period throughout the M.A.P. term. The Premium Roadside Assistance offers Towing, Winching, Battery Boost, Out-of-Fuel Coverage, Tire Service, Lockout Service, Emergency Travel Expense Reimbursement and Travel Planning and Dealer Locator. Should you ever decide to sell your Mazda vehicle. M.A.P. is transferable to future owners and will enhance the resale value of your vehicle. The Mazda Added Protection Plan is fully backed and administered by Mazda Canada Inc. For more information, please contact your Mazda Dealer.

Ask your dealer about Mazda's competitive program for recent university and college graduates.
