

ALL NEW NOMAD THE ZOTYE HUNTER

On or off road, rugged or sophisticated,
The Zotye Nomad Hunter dresses up or
down for any driving experience

A modern, European design with beautiful, smooth-flowing lines that emphasise motion and entices you to explore your wildest dreams and beyond. In the more familiar urban environment, it fashionably oozes style, beauty and confidence.

As care and protection is inherent in human nature, a comprehensive range of safety features instil trust and bring man and machine closer together.

ABS
ABS prevents drifting and lateral movement, maintain stability when braking in corners, shortening braking distance and improving overall safety considerably.

Integrated centre console & instrument panel:
Elegant and fashionable two-colour design. Gray, intaglio-treated instrument faces eliminate glare and prevents driver distraction.

LED luminescent instrument panel:
Instantly readable, reducing eye fatigue to a minimum.

Diamond halogen front lamp:
Copious amounts of halogen gas greatly extend front lamp life, increases brightness and stabilises light colour temperature.

Rear-wheel drive train:
Even weight distribution provides excellent steering stability and smooth driving, enabling the driver to savour the enjoyment of the driving experience, irrespective of speed or road conditions.

Suspension:
McPherson front and 5 rod rear suspension – a high performance suspension that provides maximum stability and comfort during acceleration, braking and turning – absolutely essential during accident avoidance manoeuvres.

454/1158 litre boot space:
A super large luggage compartment to accommodate a lifestyle that requires extra carrying capacity.

ALL NEW THE ZOTYE NOMAD HUNTER

Large tail light strip:
Ultra-bright and positioned higher, the innovative tail light clusters provide maximum visibility and rear end safety.

Air spoiler with High Mounted Stop lamp:
Whilst adding style and flair, the rear spoiler provides additional stability at high speed, boosting driver confidence.

Two electronic control windows:
Convenient, smooth and easy to use. Added child safety feature in the rear.

Perfection, refinement, attention to detail – experience the luxury of ample space and comfort, smooth acceleration and abundant power at your disposal in the Zotye Hunter. Put the fun back in your journey.

1,5 litre, Four-cylinder, 16 valve Mitsubishi engine SOHC and multi-point fuel injection:

The trusted Mitsubishi engine offers proven technology and perfectly balances performance, reliability and economy.

A rigid chassis and frame, wrapped in solid metal body panels with anti-impact girders in all four doors provide a safety cocoon which can absorb and dissipate impact energy, protecting and securing driver and passengers

Vehicle specifications

Configuration	
Engine	1.5 l
Engine Type	4G15 inline four cylinder, sixteen-valve, SOHC, multi-point electric fuel injection gasoline engine
Max power (kW/rpm)	78/6000
Max torque (Nm/rpm)	134/4500
Emission	Nation III (with OBD)
Fuel type	RON93 + unleaded gasoline
Fuel consumption (60km/h)	5.4 l
Driving System	Rear drive
Transmission	5-speed M/T
Steering system	Hydraulic power steering system
Brake system	Vented disc front/drum rear + vacuum booster

Suspension system (front/rear)	MacPherson independent front suspension/5-rod rigid axle rear suspension
Tyre	205/70 R15
Max speed (km/h)	145

Dimension/Weight	
Length/Width/Height (mm)	2900/1555/1670
Wheelbase (mm)	2420
Tread (mm)	1305/1310
Ground clearance (mm)	190
Max grade ability (%)	30
Curb weight (kg)	1145
Full-loaded weight (kg)	1530
Fuel tank capacity (L)	46
Trunk capacity (L)	454/1158 (rear seats folded)

Features

Exterior
Crystal & diamond halogen head lamp
Large strip combination rear tail lamp
Foglight (rear)
Large inlet grill
Energy-absorbed unitary front bumper
Multifunctional luggage carrier
Lower side plaque
Spare Wheel cover
Steel wheel

Safety Features
ABS
Three-point seatbelt for front seats
Three-point seatbelt for two rear outer seats/two-point for rear middle seat
Alight headlamp alarm system
Overspeed alarm system (120km/h)
Children's lock
All-metal integral body
Unitary side panel
High-strength anti-impact steel girder for four doors
Energy-absorbed shrinkable steering column
Anti-impact steel girder for instrument panel

Comfort
Comfortable fabric seat
Front/rear comfortable headrest (adjustable)
Advanced needle-punched carpet
Unitary two-color instrument panel (dimpled-grain table-board to prohibit flash)
LED Luminescence instrument panel (adjustable)
High-power A/C system
360 Adjustable ventilator
Inner reading lamp
Visor with mirror
Chromeplated high-quality inner handle
Front wiper
Rear electric defroster
Central lock
Two-door power windows
5/5 Folding rear seats
Trunk lighting
FM/AM/USB/AUX speaker
4 speaker system
